We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refile the complete document, including the electronic filing cover sheet.

The name designated in your document is distinguishable on our records. However, the name is similar to a name already on file with this office. Therefore, the use of this name may result in future complications. The name of the existing entity is : AMERICAS MEDICAL CENTER, P.A., document number P00000003390.

You may 1.) resubmit the document under the current name; or 2.) choose to file under another name. If you choose to file under another name, please make the appropriate correction throughout the document(s).

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

If you have any further questions concerning your document, please call (850) 245-6052.
