As I told you in our phone conversation I used Legal Zoom to start my previous company "Custom Glass Protection Inc." and had no idea of the annual reports and fees, at this point it is not financially viable for me to reinstate that company and have no intentions of doing so. I was the president and sole officer of that company.

If we could activate the new company "Custom Glass Protection Corp." at least I now am aware of the annual responsibilities that come with it and will stay up to date.

If there are any questions please feel free to contact me.
