RE: Fraudulent Administrative Filing

Dear: Department of Division of Corporation

In 2002 I (Felix Strong Sr.) came aboard as there 'Home Inspector" which inspect the home that determine the WDO (Wood Destroy Organize.) In due time I later became the 'Certified Operator" supervisor in 2006. By 2015 Mr. Dupont asked and I except the position as the Vice President. There was just one problem – Mr. Dupont, the founder and owner of the company, and his daughter and her two sons (Jeremiah Whyre II and Cory Osborne) which are his grandson started having issued within the company. Ultimately leading them to leave the company in 2019 and starting their own company Bugs Exterminators Termite & Pest Services Inc., leaving Mr. Dupont and myself to run the day to day operation at this company.

Mr. Dupont passed away on September 30, 2021, and this is when everything started falling apart. Before Mr. Dupont passed away, I was his only employee, Vice President, and his personal caretaker. Mr. Dupont owned 51 % of the company and I owned 49% of the company. If either of us was to have any issues concerning the company such as: (sickness, terminal ill, death, etc.) the company will go to which every owner is still alive.

Therefore, on October 07, 2021, I (Mr. Strong) paid to have the company reinstated. The reason for the late filing and reinstatement because of the day to day operation was now all on me and plus personally taking care of Mr. Dupont with no help from his family. To my knowledge his (Jeremiah Whyre II) grandson transferred all the company's phone services to his company. On October 17, 2021, his daughter and her two sons changed everything about the company without even consulting with me the Vice President solo owner of the company now. At the same time, she, and her son (Jeremiah Whyre II) decided to do the following;

1. Corporation Amended Annual Report Exhibit – 7
2. Articles of Dissolution Exhibit – 8
3. Notice of Corporate Dissolution Exhibit – 9

According to the Florida Statue Section 817.155 states,

> "a person may not, in any matter within the jurisdiction of the Department of State, knowingly and willfully falsify or conceal a material fact, make any false, fictitious, or fraudulent statement or

AW 11\8

representation, or make or use any false document, knowing the
same to contain any false, fictitious, or fraudulent statement or entry.
A person who violates this section is guilty of a felony of the third
degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084".
Any disputes or fraudulent filings must be resolved between the affected
parties, in the courts, or through law enforcement."

In that case I am drafting the letter stating that I (Felix Strong Sr.) never given Cheryl Whyre (daughter) and her two sons Cory Osborne and Jeremiah Whyre II (grandson) any authorization or consent to update or changed anything concerning Bugs Exterminators Termite & Pest Control Inc. This is why I am willing to pursue any course of action punishable as provided by the Florida State Statue 775.082, 775.083 or 775.084, because as you can see in EXHIBIT – 3 they filed an annual report and changed everything concerning the company. Finally, I will be filing documents to correct the information on records such as an amendment or amened annual report.

Sincerely,

Felix Strong Sr.
