42. If there are only two Shareholders to this Agreement at the time this Shot Gun Provision is utilized, the Initiating Shareholder will give a written offer (the "Offer") to the other Shareholder (the "Offeree") specifying the price per Share (the "Price") at which the Initiating Shareholder is willing to:

45. If the Offeree elects to purchase the Initiating Shareholder's Shares, the Offeree will tender a certified check for the Price within 10 Business Days of notifying the Initiating Shareholder that the Offeree has elected to purchase the Initiating Shareholder's Shares, and the Initiating Shareholder will transfer or cause to be transferred to the Offeree all of the Initiating Shareholder's Shares on receipt of the Price.
46. If the Offeree elects or is deemed to elect to sell the Offeree's Shares to the Initiating Shareholder, the Initiating Shareholder will tender a certified check for the Price within 10 Business Days of either the date on which the Initiating Shareholder receives notice that the Offeree has elected to sell the Offeree's Shares or the date on which the Offeree is deemed to have elected to sell the Offeree's Shares to the Initiating Shareholder, and the Offeree will transfer or cause to be transferred to the Initiating Shareholder all of the Offeree's Shares on receipt of the Price.
47. Failure to make a payment required by this Shot Gun Provision or failure to transfer the Shares as required by this Shot Gun Provision will be deemed to be a breach of contract and the non-defaulting party will, in addition to any other remedies available by statute or at law or equity, be entitled to and may elect to, by written notice within 30 Business Days of the default, purchase the defaulting party's Shares at 75% of the Price.

If there are more than two Shareholders to this Agreement, the Initiating Shareholder may make an Offer to one of the other Shareholders, and the procedure in this Shot Gun Provision will apply as if there were only two Shareholders. The Initiating Shareholder may also make an offer to the other Shareholders as a group, and the other Shareholders will either come to an agreement among themselves to buy the Initiating Shareholder's Shares or will, as a group, elect to sell all of their Shares to the Initiating Shareholder, and the procedure in this Shot Gun Provision will apply.
