Notwithstanding anything contained herein to the contrary, this Article is intended to provide indemnification to each director and officer of the Corporation to the fullest extent authorized by the Act, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader rights than said statute permitted the Corporation to provide prior thereto). Neither the amendment or repeal of this Article 8 nor the adoption of any other provision inconsistent with the provisions of this Article 8 shall eliminate or reduce the effect of this Article 8 with respect to any matter occurring, or any action or proceeding accruing or arising, prior to such amendment, repeal or adoption of an inconsistent provision.

No such written consent shall be valid unless (i) the consenting shareholder has been furnished the same material that would have been required to be sent to shareholders in a notice of a meeting at which the proposed action would have been submitted to the shareholders for action, including notice of any applicable dissenters' rights, or (ii) the consent includes an express waiver of the right to receive the material otherwise required to be furnished. Notice of such action without a meeting by less than unanimous written consent, together with such material, shall be given within ten (10) days of the taking of such action to those shareholders of record who did not participate in taking the action.
