Articles of Incorporation

Isaabis Cafe, Inc.

Per our conversation, section 502 of the internal revenue code states:

"An organization operated for the primary purpose of carrying on a trade or business for profit shall not be exempt from taxation under section 501 on the ground that all of its profits are payable to one or more organizations exempt from taxation under section 501(c)(3)."

We are establishing the business pursuant to this portion of the code and want to make that clear by quoting it within our purpose. As I explained, I am not concerned about people who have no legal background not understanding what I'm saying.

If there is still a miscommunication please feel free to call me, I would love to know what portion of the state statute inhibits me from moving forward with the filing. Otherwise this is the purpose that best explains the nature of our organization and what we would like to use.
