This will acknowledge receipt of your correspondence which is being returned for the following reason(s):

In order to change from a non-profit corporation to a profit corporation you must first file articles of dissolution and dissolve the non-profit corporation. You can then file (new) articles of incorporation for a profit corporation. When you file the new articles of incorporation you must include a letter with your form that says you are not planning to revoke the dissolution and that you release the name to the new corporation. The letter must be signed by an officer of the corporation. That way you can use the same name right away. I have enclosed both a dissolution form & a corporation form. Please send them in together with a note to file the dissolution first and the new corporation second.

If you have any questions concerning this matter, please either respond in writing or call (850) 245-6050.

We have received your document for CENTURY DRY RESTORATION INC and your check(s) totaling \$70.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

Please list the name of the corporation in Article 1.

The Florida Statutes require an entity to designate a street address for its principal office address. A post office box is not acceptable for the principal office address. The entity may, however, designate a separate mailing address. The mailing address may be a post office box.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.
