RE: Document # P15000015863

"Statement of Fact"

On April 4th, 2024, at 7:18 am I received an email from the Division of Corporation through sunbiz.org that a recent change had been made to our Annual Report. When I pulled the amendment, I noticed that an individual by the name of Safari Reid listed themselves as Treasurer, this change was not authorized by myself Monica Ortiz nor any other officer. We are not aware of who this individual is and have reported this to the local authorities. This is a fraudulent amendment. The only annual report that should be considered valid is the one signed by me Monica Ortiz on January 5th, 2024. Please feel free to contact me at any time at 407-339-6700 and or 321-282-9852.

Thank you,

Monica Ortiz
