We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

The document must state the number of shares of authorized stock. The consultation of a legal counsel is always recommended if uncertain of the appropriate number of shares to authorize.

The Number of Shares of stock contains a decimal point. This implies a dollar value, not the Total Number of Shares of stock.

If you have any further questions concerning your document, please call (850) 245-6052.
