For administrative convenience, the initial Series A-1 Director may also be appointed by the Board of Directors of the Corporation (the "*Board*") in connection with the approval of the initial issuance of Series A-1 Preferred Stock without a separate action by the holders of a majority of Series A-1 Preferred Stock.

"*Original Issue Price*" means (i) \$1.00 for the Series A Preferred Stock; and (ii) \$759.01 per share for the Series A-1 Preferred Stock.

LR

"Requisite Holders" means the holders of at least a majority of the outstanding shares of Series A-1 Preferred Stock (voting as a single class).

"Series A-1 Liquidation Amount" shall mean \$2,000,000.00.

The total number of shares of all classes of stock that the Corporation has authority to issue is 12,500, consisting of (a) 4,750 shares of Common Stock, par value \$1.00 per share, (b) 7,000 shares of Non-Voting Common Stock, par value \$1.00 per share and (c) 7,750 shares of Preferred Stock, par value \$0.01 per share. As of the effective date of this Restated Certificate, (i) 7,000 shares of the Preferred Stock of the Corporation are designated as **"Series A Preferred Stock"**; and (ii) 750 shares of the Preferred Stock of the Corporation are hereby designated **"Series A-1 Preferred Stock"**.

A. COMMON STOCK AND NON-VOTING COMMON STOCK

The following rights, powers privileges and restrictions, qualifications, and limitations apply to the Common Stock.

1. **General.** The voting, dividend and liquidation rights of the holders of the Common Stock and the dividend and liquidation rights of the Non-Voting Common Stock are subject to and qualified by the rights, powers and privileges of the holders of the Preferred Stock set forth in this Restated Certificate.

2. **Voting.** The holders of the Common Stock are entitled to one vote for each share of Common Stock held at all meetings of stockholders (and written actions in lieu of meetings). Unless required by law, there shall be no cumulative voting. The number of authorized shares of Common Stock and/or Non-Voting Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by (in addition to any vote of the holders of one or more series of Preferred Stock that may be required by the terms of the Restated Certificate) the affirmative vote of the holders of shares of capital stock of the Corporation representing a majority of the votes represented by all outstanding shares of capital stock of the Corporation entitled to vote. Except as may be required by law, the Non-Voting Common Stock shall be non-voting and the holders of the Non-Voting Common Stock shall have no right to vote such shares.

B. PREFERRED STOCK

The following rights, powers and privileges, and restrictions, qualifications and limitations, shall apply to the Preferred Stock. Unless otherwise indicated, references to "Sections" in this Part B of this Article IV refer to sections of this Part B.

1. Liquidation, Dissolution, or Winding Up; Certain Mergers, Consolidations and Asset Sales.

1.1 **Payments to Holders of Series A-1 Preferred Stock.** In the event of any voluntary or involuntary liquidation, dissolution, or winding up of the Corporation or any Deemed Liquidation Event (as defined below), before any payment shall be made to the holders of Common Stock or Series A Preferred Stock by reason of their ownership thereof, the holders

LR

of shares of Series A-1 Preferred Stock then outstanding must be paid out of the funds and assets available for distribution to its stockholders, an amount per share equal to the greater of (a) five times the Original Issue Price for such share of Series A-1 Preferred Stock, plus any dividends declared but unpaid thereon, or (b) such amount per share as would have been payable had such share of Series A-1 Preferred Stock been converted into Common Stock pursuant to Section 3 immediately prior to such liquidation, dissolution or winding up or Deemed Liquidation Event. If upon any such liquidation, dissolution, or winding up or Deemed Liquidation Event of the Corporation, the funds and assets available for distribution to the stockholders of the Corporation are insufficient to pay the holders of shares of Series A-1 Preferred Stock the full amount to which they are entitled under this Section 1.1, the holders of shares of Series A-1 Preferred Stock will share ratably in any distribution of the funds and assets available for distribution in proportion to the respective amounts that would otherwise be payable in respect of the shares of Series A-1 Preferred Stock held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full.

1.2 Payments to Holders of Series A Preferred Stock. In the event of any voluntary or involuntary liquidation, dissolution, or winding up of the Corporation or any Deemed Liquidation Event, after the payment of all preferential amounts required to be paid to the holders of shares of Preferred Stock as provided in Section 1.1, and before any payment shall be made to the holders of Common Stock by reason of their ownership thereof, the holders of shares of Series A Preferred Stock then outstanding must be paid out of the funds and assets available for distribution to its stockholders, an amount per share equal to the greater of (a) the Original Issue Price for such share of Series A Preferred Stock, plus any dividends declared but unpaid thereon, or (b) such amount per share as would have been payable had such share of Series A Preferred Stock been converted into Non-Voting Common Stock pursuant to Section 3 immediately prior to such liquidation, dissolution or winding up or Deemed Liquidation Event. If upon any such liquidation, dissolution, or winding up or Deemed Liquidation Event of the Corporation, the funds and assets available for distribution to the stockholders of the Corporation are insufficient to pay the holders of shares of Series A Preferred Stock the full amount to which they are entitled under this Section 1.2, the holders of shares of Series A Preferred Stock will share ratably in any distribution of the funds and assets available for distribution in proportion to the respective amounts that would otherwise be payable in respect of the shares of Series A Preferred Stock held by them upon such distribution if all amounts payable on or with respect to such shares were paid in full.

1.3 Payments to Holders of Common Stock and Non-Voting Common Stock. In the event of any voluntary or involuntary liquidation, dissolution, or winding up or Deemed Liquidation Event of the Corporation, after the payment of all preferential amounts required to be paid to the holders of shares of Preferred Stock as provided in Sections 1.1 and 1.2, the remaining funds and assets available for distribution to the stockholders of the Corporation will be distributed among the holders of shares of Common Stock and Non-Voting Common Stock, pro rata based on the number of shares of Common Stock and/or Non-Voting Common Stock held by each such holder.

1.4 Deemed Liquidation Events.

LR

1.4.1 Definition. Each of the following events is a "**Deemed Liquidation Event**" unless the Requisite Holders elect otherwise by written notice received by the Corporation:

(a) a merger or consolidation in which (i) the Corporation is a constituent party or (ii) a subsidiary of the Corporation is a constituent party and the Corporation issues shares of its capital stock pursuant to such merger or consolidation, except any such merger or consolidation involving the Corporation or a subsidiary in which the shares of capital stock of the Corporation outstanding immediately prior to such merger or consolidation continue to represent, or are converted into or exchanged for equity securities that represent, immediately following such merger or consolidation, at least a majority, by voting power, of the equity securities of (1) the surviving or resulting party or (2) if the surviving or resulting party is a wholly owned subsidiary of another party immediately following such merger or consolidation, the parent of such surviving or resulting party; *provided* that, for the purpose of this Section 1.4.1, all shares of Common Stock issuable upon exercise of options outstanding immediately prior to such merger or consolidation or upon conversion of Convertible Securities (as defined below) outstanding immediately prior to such merger or consolidation shall be deemed to be outstanding immediately prior to such merger or consolidation and, if applicable, deemed to be converted or exchanged in such merger or consolidation on the same terms as the actual outstanding shares of Common Stock are converted or exchanged; or

(b) the sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions, by the Corporation or any subsidiary of the Corporation of all or substantially all the assets of the Corporation and its subsidiaries taken as a whole, or, if substantially all of the assets of the Corporation and its subsidiaries taken as a whole are held by such subsidiary or subsidiaries, the sale or disposition (whether by merger or otherwise) of one or more subsidiaries of the Corporation, except where such sale, lease, transfer or other disposition is to the Corporation or one or more wholly owned subsidiaries of the Corporation.

1.4.2 Amount Deemed Paid or Distributed. The funds and assets deemed paid or distributed to the holders of capital stock of the Corporation upon any such merger, consolidation, sale, transfer or other disposition described in this Section 1.4 will be the cash or the value of the property, rights or securities paid or distributed to such holders by the Corporation or the acquiring person, firm or other entity. The value of such property, rights or securities shall be determined in good faith by the Board.

1.4.3 Allocation of Escrow and Contingent Consideration. In the event of a Deemed Liquidation Event pursuant to Section 1.4.1(a), if any portion of the consideration payable to the stockholders of the Corporation is payable only upon satisfaction of contingencies (the "**Additional Consideration**"), the Merger Agreement shall provide that (a) the portion of such consideration that is not Additional Consideration (such portion, the "**Initial Consideration**") shall be allocated among the holders of capital stock of the Corporation in accordance with Sections 1.1, 1.2 and 1.3 as if the Initial Consideration were the only consideration payable in connection with such Deemed Liquidation Event; and (b) any Additional Consideration which becomes payable to the stockholders of the Corporation upon

satisfaction of such contingencies shall be allocated among the holders of capital stock of the Corporation in accordance with Sections 1.1, 1.2 and 1.3 after taking into account the previous payment of the Initial Consideration as part of the same transaction. For the purposes of this Section 1.4.3, consideration placed into escrow or retained as a holdback to be available for satisfaction of indemnification or similar obligations in connection with such Deemed Liquidation Event shall be deemed to be Additional Consideration.

2. Voting.

2.1 General. Except as otherwise specifically set forth in this Restated Certificate, on any matter presented to the stockholders of the Corporation for their action or consideration at any meeting of stockholders of the Corporation (or by written consent of stockholders in lieu of meeting), each holder of outstanding shares of Series A-1 Preferred Stock may cast the number of votes equal to the number of whole shares of Common Stock into which the shares of Series A-1 Preferred Stock held by such holder are convertible as of the record date for determining stockholders entitled to vote on such matter. Fractional votes shall not be permitted and any fractional voting rights available on an as-converted basis (after aggregating all shares into which shares of Series A-1 Preferred stock held by each holder could be converted) will be rounded to the nearest whole number (with one-half being rounded upward). Except as provided by law or by the other provisions of this Restated Certificate, holders of Series A-1 Preferred Stock shall vote together with the holders of Common Stock as a single class on an as-converted basis, shall have full voting rights and powers equal to the voting rights and powers of the holders of Common Stock, and shall be entitled, notwithstanding any provision of this Restated Certificate, to notice of any stockholder meeting in accordance with the Bylaws of the Corporation. Except as may be required by law, the shares of Series A Preferred Stock shall be non-voting.

2.2 Protective Provisions. The Corporation shall not, either directly or indirectly by amendment, merger, consolidation or otherwise, do any of the following without (in addition to any other vote required by law or the Restated Certificate) the written consent or affirmative vote of the holders of (i) a majority of the issued and outstanding shares of Common Stock (not including the shares of Common Stock issuable upon conversion of the Preferred Stock); (ii) the holders of a majority of the issued and outstanding shares of the Series A Preferred Stock, on an as-converted to Common Stock basis; and (iii) and the holders of a majority of the issued and outstanding shares of the Series A-1 Preferred Stock, on an as-converted to Common Stock basis, given in writing or by vote at a meeting, consenting, or voting (as the case may be) together as a single class:

(a) increase or decrease the authorized number of shares of Common Stock, Series A Preferred Stock or Series A-1 Preferred Stock; or

(b) create, or hold capital stock in, any subsidiary that is not wholly owned (either directly or through one or more other subsidiaries) by the Corporation, or permit any subsidiary to create, or authorize the creation of, or issue or obligate itself to issue, any shares of any class or series of capital stock, or sell, transfer or otherwise dispose of any capital stock of any direct or indirect subsidiary of the Corporation, or permit any direct or indirect subsidiary to sell, lease, transfer, exclusively

LR

license or otherwise dispose (in a single transaction or series of related transactions) of all or substantially all of the assets of such subsidiary.

2.3 Election of Directors. The holders of record of the Company's Common Stock and Series A-1 Preferred Stock are entitled to elect directors as described in the Board Composition. Any director elected as provided in the preceding sentence may be removed without cause by the affirmative vote of the holders of the shares of the class, classes, or series of capital stock entitled to elect the director or directors, given either at a special meeting of the stockholders duly called for that purpose or pursuant to a written consent of stockholders. At any meeting held for the purpose of electing a director, the presence in person or by proxy of the holders of a majority of the outstanding shares of the class, classes, or series entitled to elect the director constitutes a quorum for the purpose of electing the director.

2.4 Series A-1 Preferred Stock Protective Provisions. The Corporation shall not, either directly or indirectly by amendment, merger, consolidation or otherwise, do any of the following without (in addition to any other vote required by law or the Restated Certificate) the written consent or affirmative vote of the Requisite Holders, given in writing or by vote at a meeting, consenting, or voting (as the case may be) separately as a single class:

(a) alter the rights, powers or privileges of the Series A-1 Preferred Stock set forth in the Restated Certificate or Bylaws, as then in effect, in a way that adversely affects the Series A-1 Preferred Stock;

(b) authorize or create (by reclassification or otherwise) any new class or series of capital stock having rights, powers, or privileges set forth in the certificate of incorporation of the Corporation, as then in effect, that are senior to or on a parity with the Series A-1 Preferred Stock or reclassify, alter or amend any existing security of the Corporation so that such existing security has rights, powers, or privileges set forth in the certificate of incorporation of the Corporation, as then in effect, that are senior to or on a parity with the Series A-1 Preferred Stock;

(c) redeem or repurchase any shares of Common Stock or Preferred Stock (other than pursuant to employee or consultant agreements giving the Corporation the right to repurchase shares upon the termination of services pursuant to the terms of the applicable agreement);

(d) increase or decrease the number of directors of the Corporation (except that the Corporation may, with such consent, increase the number of directors of the Corporation to accommodate the request of an investor in the Corporation purchasing a number of shares of capital stock of the Corporation which will represent five percent or more of the fully diluted capitalization of the Corporation to add a director); or

(e) liquidate, dissolve, or wind-up the business and affairs of the Corporation, effect any Deemed Liquidation Event under the terms of which the holders of the shares of Series A-1 Preferred then outstanding would receive less than the Series A-1 Liquidation Amount, or consent, agree or commit to do any of the foregoing

LR

without conditioning such consent, agreement or commitment upon obtaining the approval required by this Section 2.3.

3. **Conversion.** The holders of the Preferred Stock have the following conversion rights (the "***Conversion Rights***"):

3.1 **Right to Convert.**

3.1.1 **Conversion Ratio.** Each share of Series A-1 Preferred Stock is convertible, at the option of the holder thereof, at any time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing the Original Issue Price for the Series A-1 Preferred Stock by the Conversion Price for of the Series A-1 Preferred Stock in effect at the time of conversion. Each share of Series A Preferred Stock is convertible, at the option of the holder thereof, at any time, and without the payment of additional consideration by the holder thereof, into such number of fully paid and nonassessable shares of Non-Voting Common Stock as is determined by dividing the Original Issue Price for the Series A Preferred Stock by the Conversion Price for of the Series A Preferred Stock in effect at the time of conversion. The "***Conversion Price***" for each series of Preferred Stock means the Original Issue Price for such series of Preferred Stock, which initial Conversion Price, and the rate at which shares of Preferred Stock may be converted into shares of Common Stock or Non-Voting Common Stock, as applicable, is subject to adjustment as provided in this Restated Certificate.

3.1.2 **Termination of Conversion Rights.** Subject to Section 3.3.1 in the case of a Contingency Event herein, in the event of (i) a liquidation, dissolution, or winding up of the Corporation or a Deemed Liquidation Event, the Conversion Rights will terminate at the close of business on the last full day preceding the date fixed for the first payment of any funds and assets distributable on such event to the holders of Preferred Stock; or (ii) the redemption of shares of Series A-1 Preferred Stock pursuant to the terms of Section 5 herein, the Conversion Rights for the shares of Series A-1 Preferred Stock redeemed shall terminate at the close of business on the last full day preceding the date fixed for redemption, unless the redemption price is not fully paid on such redemption date, in which case the Conversion Rights for such shares shall continue until such price is paid in full.

3.2 **Fractional Shares.** No fractional shares of Common Stock or Non-Voting Common Stock, as applicable, will be issued upon conversion of the Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the fair market value of a share of Common Stock or Non-Voting Common Stock, as applicable, as determined in good faith by the Board. Whether or not fractional shares would be issuable upon such conversion will be determined on the basis of the total number of shares of Preferred Stock the holder is at the time converting into Common Stock or Non-Voting Common Stock, as applicable, and the aggregate number of shares of Common Stock or Non-Voting Common Stock, as applicable, issuable upon such conversion.

3.3 **Mechanics of Conversion.**

LR

3.3.1 Notice of Conversion. To voluntarily convert shares of Preferred Stock into shares of Common Stock or Non-Voting Common Stock, as applicable, a holder of Preferred Stock shall surrender the certificate or certificates for the shares of Preferred Stock (or, if such registered holder alleges that any such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate), at the office of the transfer agent for the Preferred Stock (or at the principal office of the Corporation if the Corporation serves as its own transfer agent), together with written notice that the holder elects to convert all or any number of the shares of the Preferred Stock represented by the certificate or certificates and, if applicable, any event on which the conversion is contingent (a "*Contingency Event*"). The conversion notice must state the holder's name or the names of the nominees in which such holder wishes the certificate or certificates for shares of Common Stock or Non-Voting Common Stock, as applicable, to be issued. If required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by a written instrument or instruments of transfer, in form reasonably satisfactory to the Corporation, duly executed by the registered holder or such holder's attorney duly authorized in writing. The close of business on the date of receipt by the transfer agent (or by the Corporation if the Corporation serves as its own transfer agent) of the certificates (or lost certificate affidavit and agreement) and notice (or, if later, the date on which all Contingency Events have occurred) will be the time of conversion (the "*Conversion Time*"), and the shares of Common Stock or Non-Voting Common Stock, as applicable, issuable upon conversion of the shares represented by such certificate shall be deemed to be outstanding of record as of such time. The Corporation shall, as soon as practicable after the Conversion Time, (a) issue and deliver to the holder, or to the holder's nominees, a certificate or certificates for the number of full shares of Common Stock or Non-Voting Common Stock, as applicable, issuable upon the conversion in accordance with the provisions of this Restated Certificate and a certificate for the number (if any) of the shares of Preferred Stock represented by the surrendered certificate that were not converted into Common Stock or Non-Voting Common Stock, as applicable, (b) pay in cash such amount as provided in Section 3.2 in lieu of any fraction of a share of Common Stock or Non-Voting Common Stock, as applicable, otherwise issuable upon such conversion and (c) pay all declared but unpaid dividends on the shares of Preferred Stock converted.

3.3.2 Reservation of Shares. For the purpose of effecting the conversion of the Preferred Stock, the Corporation shall at all times while any share of Preferred Stock is outstanding, reserve and keep available out of its authorized but unissued capital stock, that number of its duly authorized shares of Common Stock or Non-Voting Common Stock, as applicable, as may from time to time be sufficient to effect the conversion of all outstanding Preferred Stock; and if at any time the number of authorized but unissued shares of Common Stock or Non-Voting Common Stock, as applicable, is not be sufficient to effect the conversion of all then-outstanding shares of the Preferred Stock, the Corporation shall use its best efforts to cause such corporate action to be taken as may be necessary to increase its authorized but unissued shares of Common Stock or Non-Voting Common Stock, as applicable, to such number of shares as shall be sufficient for such purposes, including, without limitation, engaging in best efforts to obtain the requisite stockholder approval of any necessary amendment to this Restated Certificate. Before taking any action that would cause an adjustment reducing the Conversion Price of a series of Preferred Stock below the then-par value of the shares of Common Stock or

LR

Non-Voting Common Stock, as applicable, issuable upon conversion of such series of Preferred Stock, the Corporation shall take any corporate action that may be necessary so that the Corporation may validly and legally issue fully paid and nonassessable shares of Common Stock or Non-Voting Common Stock, as applicable, at such adjusted Conversion Price.

3.3.3 Effect of Conversion. All shares of Preferred Stock that shall have been surrendered for conversion as provided in this Restated Certificate shall no longer be deemed to be outstanding and all rights with respect to such shares will immediately cease and terminate at the Conversion Time, except only the right of the holders thereof to receive shares of Common Stock or Non-Voting Common Stock, as applicable, in exchange therefor, to receive payment in lieu of any fraction of a share otherwise issuable upon such conversion as provided in Section 3.2, and to receive payment of any dividends declared but unpaid thereon. Any shares of Preferred Stock so converted shall be retired and cancelled and may not be reissued.

3.3.4 No Further Adjustment. Upon any conversion of shares of Preferred Stock, no adjustment to the Conversion Price of the applicable series of Preferred Stock will be made with respect to the converted shares for any declared but unpaid dividends on such series of Preferred Stock or on the Common Stock or Non-Voting Common Stock, as applicable, delivered upon conversion.

3.4 Adjustment for Stock Splits and Combinations. If the Corporation at any time or from time to time after the date on which the first share of a series of Preferred Stock is issued by the Corporation (such date referred to herein as the "*Original Issue Date*" for such series of Preferred Stock) effects a subdivision of the outstanding Common Stock or Non-Voting Common Stock, as applicable, the Conversion Price for each series of Preferred Stock in effect immediately before that subdivision shall be proportionately decreased so that the number of shares of Common Stock or Non-Voting Common Stock, as applicable, issuable on conversion of each share of that series will be increased in proportion to the increase in the aggregate number of shares of Common Stock or Non-Voting Common Stock, as applicable, outstanding. If the Corporation at any time or from time to time after the Original Issue Date for a series of Preferred Stock combines the outstanding shares of Common Stock or Non-Voting Common Stock, as applicable, the Conversion Price for each series of Preferred Stock in effect immediately before the combination will be proportionately increased so that the number of shares of Common Stock or Non-Voting Common Stock, as applicable, issuable on conversion of each share of such series shall be decreased in proportion to such decrease in the aggregate number of shares of Common Stock or Non-Voting Common Stock, as applicable, outstanding. Any adjustment under this Section 3.4 becomes effective at the close of business on the date the subdivision or combination becomes effective.

3.5 Adjustment for Certain Dividends and Distributions. If the Corporation at any time or from time to time after the Original Issue Date for a series of Preferred Stock makes or issues, or fixes a record date for the determination of holders of Common Stock or Non-Voting Common Stock, as applicable, entitled to receive, a dividend or other distribution payable on the Common Stock in additional shares of Common Stock or Non-Voting Common Stock, as applicable, then and in each such event the Conversion Price for such series of Preferred Stock in effect immediately before the event will be decreased as of the time of such issuance or, in the event a record date has been fixed, as of the close of business on such record date, by multiplying such Conversion Price then in effect by a fraction:

LR

(a) the numerator of which is the total number of shares of Common Stock or Non-Voting Common Stock, as applicable, issued and outstanding immediately prior to the time of the issuance or the close of business on the record date, and

(b) the denominator of which is the total number of shares of Common Stock or Non-Voting Common Stock, as applicable, issued and outstanding immediately before the time of such issuance or the close of business on the record date plus the number of shares of Common Stock or Non-Voting Common Stock, as applicable, issuable in payment of such dividend or distribution.

Notwithstanding the foregoing, (i) if such record date has have been fixed and the dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, such Conversion Price shall be recomputed accordingly as of the close of business on such record date and thereafter such Conversion Price shall be adjusted pursuant to this Section 3.5 as of the time of actual payment of such dividends or distributions; and (ii) no such adjustment shall be made if the holders of such series of Preferred Stock simultaneously receive a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock or Non-Voting Common Stock, as applicable, that they would have received if all outstanding shares of such series of Preferred Stock had been converted into Common Stock or Non-Voting Common Stock, as applicable, on the date of the event.

3.6 Adjustments for Other Dividends and Distributions. If the Corporation at any time or from time to time after the Original Issue Date for a series of Preferred Stock shall makes or issues, or fixes a record date for the determination of holders of Common Stock or Non-Voting Common Stock, as applicable, entitled to receive, a dividend or other distribution payable in securities of the Corporation (other than a distribution of shares of Common Stock or Non-Voting Common Stock, as applicable, in respect of outstanding shares of Common Stock), then and in each such event the Corporation shall make, simultaneously with the distribution to the holders of Common Stock or Non-Voting Common Stock, as applicable, a dividend or other distribution to the holders of the series of Preferred Stock in an amount equal to the amount of securities as the holders would have received if all outstanding shares of such series of Preferred Stock had been converted into Common Stock or Non-Voting Common Stock, as applicable, on the date of such event.

3.7 Adjustment for Reclassification, Exchange and Substitution. If at any time or from time to time after the Original Issue Date for a series of Preferred Stock the Common Stock or Non-Voting Common Stock, as applicable, issuable upon the conversion of such series of Preferred Stock is changed into the same or a different number of shares of any class or classes of stock of the Corporation, whether by recapitalization, reclassification, or otherwise (other than by a stock split or combination, dividend, distribution, merger or consolidation covered by Sections 3.4, 3.5, 3.6 or 3.8 or by Section 1.3 regarding a Deemed Liquidation Event), then in any such event each holder of such series of Preferred Stock may thereafter convert such stock into the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification or other change by holders of the number of shares of Common Stock or Non-Voting Common Stock, as applicable, into which such shares of Preferred Stock could have been converted immediately prior to such recapitalization, reclassification or change.

LR

3.8 Adjustment for Merger or Consolidation. Subject to the provisions of Section 1.3, if any consolidation or merger occurs involving the Corporation in which the Common Stock or Non-Voting Common Stock, as applicable (but not a series of Preferred Stock) is converted into or exchanged for securities, cash, or other property (other than a transaction covered by Sections 3.5, 3.6 or 3.7), then, following any such consolidation or merger, the Corporation shall provide that each share of such series of Preferred Stock will thereafter be convertible, in lieu of the Common Stock or Non-Voting Common Stock, as applicable, into which it was convertible prior to the event, into the kind and amount of securities, cash, or other property which a holder of the number of shares of Common Stock or Non-Voting Common Stock, as applicable, of the Corporation issuable upon conversion of one share of such series of Preferred Stock immediately prior to the consolidation or merger would have been entitled to receive pursuant to the transaction; and, in such case, the Corporation shall make appropriate adjustment (as determined in good faith by the Board) in the application of the provisions in this Section 3 with respect to the rights and interests thereafter of the holders of such series of Preferred Stock, to the end that the provisions set forth in this Section 3 (including provisions with respect to changes in and other adjustments of the Conversion Price of such series of Preferred Stock) shall thereafter be applicable, as nearly as reasonably may be, in relation to any securities or other property thereafter deliverable upon the conversion of such series of Preferred Stock.

3.9 Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price of a series of Preferred Stock pursuant to this Section 3, the Corporation at its expense shall, as promptly as reasonably practicable but in any event not later than 15 days thereafter, compute such adjustment or readjustment in accordance with the terms of this Restated Certificate and furnish to each holder of such series of Preferred Stock a certificate setting forth the adjustment or readjustment (including the kind and amount of securities, cash, or other property into which such series of Preferred Stock is convertible) and showing in detail the facts upon which such adjustment or readjustment is based. The Corporation shall, as promptly as reasonably practicable after the written request at any time of any holder of any series of Preferred Stock (but in any event not later than 10 days thereafter), furnish or cause to be furnished to such holder a certificate setting forth (a) the Conversion Price of such series of Preferred Stock then in effect and (b) the number of shares of Common Stock and the amount, if any, of other securities, cash, or property which then would be received upon the conversion of such series of Preferred Stock.

3.10 Mandatory Conversion. Upon either (a) the closing of the sale of shares of Common Stock to the public in a firm-commitment underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended or (b) the date and time, or the occurrence of an event, specified by vote or written consent of the Requisite Holders at the time of such vote or consent, voting as a single class on an as-converted basis (the time of such closing or the date and time specified or the time of the event specified in such vote or written consent, the "**Mandatory Conversion Time**"). (i) all outstanding shares of Preferred Stock will automatically convert into shares of Common Stock, at the applicable ratio described in Section 3.1.1 as the same may be adjusted from time to time in accordance with Section 3 and (ii) such shares may not be reissued by the Corporation.

LR

3.11 Procedural Requirements. The Corporation shall notify in writing all holders of record of shares of Preferred Stock of the Mandatory Conversion Time and the place designated for mandatory conversion of all such shares of Preferred Stock pursuant to Section 3.10. Unless otherwise provided in this Restated Certificate, the notice need not be sent in advance of the occurrence of the Mandatory Conversion Time. Upon receipt of the notice, each holder of shares of Preferred Stock shall surrender such holder's certificate or certificates for all such shares (or, if such holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate) to the Corporation at the place designated in such notice, and shall thereafter receive certificates for the number of shares of Common Stock to which such holder is entitled pursuant to this Section 3. If so required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form reasonably satisfactory to the Corporation, duly executed by the registered holder or such holder's attorney duly authorized in writing. All rights with respect to the Preferred Stock converted pursuant to Section 3.10, including the rights, if any, to receive notices and vote (other than as a holder of Common Stock), will terminate at the Mandatory Conversion Time (notwithstanding the failure of the holder or holders thereof to surrender the certificates at or prior to such time), except only the rights of the holders thereof, upon surrender of their certificate or certificates (or lost certificate affidavit and agreement) therefor, to receive the items provided for in the next sentence of this Section 3.11. As soon as practicable after the Mandatory Conversion Time and the surrender of the certificate or certificates (or lost certificate affidavit and agreement) for Preferred Stock, the Corporation shall issue and deliver to such holder, or to such holder's nominee(s), a certificate or certificates for the number of full shares of Common Stock issuable on such conversion in accordance with the provisions hereof, together with cash as provided in Section 3.2 in lieu of any fraction of a share of Common Stock otherwise issuable upon such conversion and the payment of any declared but unpaid dividends on the shares of Preferred Stock converted. Such converted Preferred Stock shall be retired and cancelled and may not be reissued as shares of such series, and the Corporation may thereafter take such appropriate action (without the need for stockholder action) as may be necessary to reduce the authorized number of shares of Preferred Stock (and the applicable series thereof) accordingly.

4. Dividends. The Corporation shall declare all dividends pro rata on the Common Stock and the Preferred Stock on a *pari passu* basis according to the number of shares of Common Stock or Non-Voting Common Stock, as applicable, held by such holders. For this purpose, each holder of shares of Preferred Stock will be treated as holding the greatest whole number of shares of Common Stock or Non-Voting Common Stock, as applicable, then issuable upon conversion of all shares of Preferred Stock held by such holder pursuant to Section 3.

5. Redemption.

5.1 General. Unless prohibited by Florida law governing distributions to stockholders, shares of Series A-1 Preferred Stock shall be redeemed by the Corporation at a price per share equal to the Fair Market Value (determined in the manner set forth below) of a single share of Series A-1 Preferred Stock as of the date of the Corporation's receipt of the Redemption Request (the "**Redemption Price**"), in three (3) annual installments commencing not

LR

more than sixty (60) days after receipt by the Corporation at any time on or after December ____, 2021 from the Requisite Holders of written notice requesting redemption of all shares of Series A-1 Preferred Stock (the "**Redemption Request**"). Upon receipt of a Redemption Request, the Corporation shall apply all of its assets to any such redemption, and to no other corporate purpose, except to the extent prohibited by Florida law governing distributions to stockholders. For purposes of this Section 5.1, the Fair Market Value of a single share of Series A-1 Preferred Stock shall be the value of a single share of Series A-1 Preferred Stock as mutually agreed upon by the Corporation and the Requisite Holders, and, in the event that they are unable to reach agreement, by a third-party appraiser agreed to by the Corporation and the Requisite Holders. The date of each such installment provided in the Redemption Notice (as defined below) shall be referred to as a "**Redemption Date**." On each Redemption Date, the Corporation shall redeem, on a pro rata basis in accordance with the number of shares of Series A-1 Preferred Stock owned by each holder, that number of outstanding shares of Series A-1 Preferred Stock determined by dividing (i) the total number of shares of Series A-1 Preferred Stock outstanding immediately prior to such Redemption Date by (ii) the number of remaining Redemption Dates (including the Redemption Date to which such calculation applies). If on any Redemption Date, Florida law governing distributions to stockholders prevents the Corporation from redeeming all shares of Series A-1 Preferred Stock to be redeemed, the Corporation shall ratably redeem the maximum number of shares that it may redeem consistent with such law, and shall redeem the remaining shares as soon as it may lawfully do so under such law.

5.2 Redemption Notice. The Corporation shall send written notice of the mandatory redemption (the "**Redemption Notice**") to each holder of record of Series A-1 Preferred Stock not less than forty (40) days prior to each Redemption Date. Each Redemption Notice shall state:

(a) the number of shares of Series A-1 Preferred Stock held by the holder that the Corporation shall redeem on the Redemption Date specified in the Redemption Notice;

(b) the Redemption Date and the Redemption Price;

(c) the date upon which the holder's right to convert such shares terminates (as determined in accordance with Section 3.1.2); and

(d) that the holder is to surrender to the Corporation, in the manner and at the place designated, his, her or its certificate or certificates representing the shares of Series A-1 Preferred Stock to be redeemed.

5.2 Surrender of Certificates; Payment. On or before the applicable Redemption Date, each holder of shares of Series A-1 Preferred Stock to be redeemed on such Redemption Date, unless such holder has exercised his, her or its right to convert such shares as provided in Section 3, shall, if a holder of shares in certificated form, surrender the certificate or certificates representing such shares (or, if such registered holder alleges that such certificate has been lost, stolen or destroyed, a lost certificate affidavit and agreement reasonably acceptable to the Corporation to indemnify the Corporation against any claim that may be made against the Corporation on account of the alleged loss, theft or destruction of such certificate) to the Corporation, in the manner and at the place designated in the Redemption Notice, and thereupon

the Redemption Price for such shares shall be payable to the order of the person whose name appears on such certificate or certificates as the owner thereof. In the event less than all of the shares of Series A-1 Preferred Stock represented by a certificate are redeemed, a new certificate, instrument, or book entry representing the unredeemed shares of Series A-1 Preferred Stock shall promptly be issued to such holder.

5.4 Rights Subsequent to Redemption. If the Redemption Notice shall have been duly given, and if on the applicable Redemption Date the Redemption Price payable upon redemption of the shares of Series A-1 Preferred Stock to be redeemed on such Redemption Date is paid or tendered for payment or deposited with an independent payment agent so as to be available therefor in a timely manner, then notwithstanding that any certificates evidencing any of the shares of Series A Preferred Stock so called for redemption shall not have been surrendered, dividends with respect to such shares of Series A-1 Preferred Stock shall cease to accrue after such Redemption Date and all rights with respect to such shares shall forthwith after the Redemption Date terminate, except only the right of the holders to receive the Redemption Price without interest upon surrender of any such certificate or certificates therefor.

6. Redeemed or Otherwise Acquired Shares. Any shares of Preferred Stock that are redeemed or otherwise acquired by the Corporation or any of its subsidiaries will be automatically and immediately cancelled and retired and shall not be reissued, sold or transferred. Neither the Corporation nor any of its subsidiaries may exercise any voting or other rights granted to the holders of Preferred Stock following any such redemption.

7. Waiver. Any of the rights, powers, privileges and other terms of the (i) Series A-1 Preferred Stock set forth herein may be waived prospectively or retrospectively on behalf of all holders of Series A-1 Preferred Stock by the affirmative written consent or vote of the Requisite Holders; and (ii) Series A Preferred Stock set forth herein may be waived prospectively or retrospectively on behalf of all holders of Series A Preferred Stock by the affirmative written consent or vote of the holders of a majority of the then outstanding shares of Series A Preferred Stock.

8. Notice of Record Date. In the event:

(a) the Corporation takes a record of the holders of its Common Stock (or other capital stock or securities at the time issuable upon conversion of the Preferred Stock) for the purpose of entitling or enabling them to receive any dividend or other distribution, or to receive any right to subscribe for or purchase any shares of capital stock of any class or any other securities, or to receive any other security; or

(b) of any capital reorganization of the Corporation, any reclassification of the Common Stock of the Corporation, or any Deemed Liquidation Event; or

(c) of the voluntary or involuntary dissolution, liquidation or winding-up of the Corporation.

then, and in each such case, the Corporation shall send or cause to be sent to the holders of the Preferred Stock a written notice specifying, as the case may be, (i) the record date for such dividend, distribution, or right, and the amount and character of such dividend, distribution or

right, or (ii) the effective date on which such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up is proposed to take place, and the time, if any is to be fixed, as of which the holders of record of Common Stock (or such other capital stock or securities at the time issuable upon the conversion of the Preferred Stock) will be entitled to exchange their shares of Common Stock (or such other capital stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, transfer, dissolution, liquidation or winding-up, and the amount per share and character of such exchange applicable to the Preferred Stock and the Common Stock. The Corporation shall send the notice at least 20 days before the earlier of the record date or effective date for the event specified in the notice.

9. **Notices.** Except as otherwise provided herein, any notice required or permitted by the provisions of this Article IV to be given to a holder of shares of Preferred Stock must be mailed, postage prepaid, to the post office address last shown on the records of the Corporation, or given by electronic communication in compliance with the provisions of the General Corporation Law, and will be deemed sent upon such mailing or electronic transmission.

ARTICLE V: NO PREEMPTIVE RIGHTS.

No stockholder of the Corporation has a right to purchase shares of capital stock of the Corporation sold or issued by the Corporation except to the extent that such a right may from time to time be set forth in a written agreement between the Corporation and the stockholder.

ARTICLE VI: BYLAW PROVISIONS.

A. **AMENDMENT OF BYLAWS.** Subject to any additional vote required by this Restated Certificate or bylaws of the Corporation (the "*Bylaws*"), in furtherance and not in limitation of the powers conferred by statute, the Board is expressly authorized to make, repeal, alter, amend and rescind any or all of the Bylaws.

B. **NUMBER OF DIRECTORS.** Subject to any additional vote required by this Restated Certificate, the number of directors of the Corporation will be determined in the manner set forth in the Bylaws.

C. **BALLOT.** Elections of directors need not be by written ballot unless the Bylaws so provide.

D. **MEETINGS AND BOOKS.** Meetings of stockholders may be held within or without the State of Florida, as the Bylaws may provide. The books of the Corporation may be kept outside the State of Delaware at such place or places as may be designated from time to time by the Board or in the Bylaws.

ARTICLE VII: DIRECTOR LIABILITY.

A. LIMITATION. To the fullest extent permitted by law, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. If the FBCA or any other law of the State of Florida is amended after approval by the stockholders of this Article VII to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the FBCA as so amended. Any repeal or modification of the foregoing provisions of this Article VII by the stockholders will not adversely affect any right or protection of a director of the Corporation existing at the time of, or increase the liability of any director of the Corporation with respect to any acts or omissions of such director occurring prior to, such repeal or modification.

B. INDEMNIFICATION. To the fullest extent permitted by applicable law, the Corporation is authorized to provide indemnification of (and advancement of expenses to) directors, officers and agents of the Corporation (and any other persons to which FBCA permits the Corporation to provide indemnification) through Bylaw provisions, agreements with such agents or other persons, vote of stockholders or disinterested directors or otherwise, in excess of the indemnification and advancement otherwise permitted by the FBCA.

C. MODIFICATION. Any amendment, repeal, or modification of the foregoing provisions of this Article VII will not adversely affect any right or protection of any director, officer or other agent of the Corporation existing at the time of such amendment, repeal or modification.
