We received your online transmitted document. However, the document has not been filed for the following:

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of a voluntarily dissolved business entity. The name of a voluntarily dissolved business entity is not available for the assumption or use by another entity until 120 days after the effective date of dissolution unless the dissolved business entity provides

the Department of State with a notarized affidavit, stating that they have no intention of revoking the dissolution, therefore, releasing the name for use to another entity.

Due to the nature of your filing and the fact that the letter of approval cannot be attached to your online filing document, we cannot complete your filing request. You may either alter your entity name by removing the word or words needing approval; or request a refund for the funds submitted for this filing and submit your document and filing fees with the letter of approval through the mail.
