Regarding : A Advanced Aluminum & Screening, Inc.  
Document ID W15000057972

Per your email, this name as well is too close in similarity to a document #P13000069662 which is for Advanced Aluminum & Screening, Inc. This as well is my corporation and will be allowing it dissolve at the end of September 2015, as I have not filed my annual report. I do not intend at all now or in the future to reinstate the corporation, P13000069662 Advanced Aluminum & Screening, Inc..

I wish to go ahead and have the corporation that I first filed registered with the State please. I am going to go back online with the Document Number and Pin and change back to the original name, of **Advanced Aluminum and Screening, Inc.** If there is a problem with this please let me know immediately. I do appreciate all your help in getting this sorted out and completed in a timely manner.

Regards.
