Hello. I am the owner of the Advantage Preschool Inc and will not be reinstating that organization. We have moved and wish to reorganize but would still like to use the Advantage Preschool name that we did before. Please advise. Thank you.

Names of administratively dissolved/revoked entities are not available for one year from the date of administrative dissolution/revocation, unless the dissolved/revoked entity provides the Department of State with a notarized affidavit stating that they have no intention of reinstating, therefore, releasing the name for use to another entity. If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.
