Statement of fact

I Sol Hersh DOB 07/29/1991, reside with my grandfather Sholom Hersh DOB 10/14/1928 who is a 92 year old (Sole owner of the home) at the residential address 6959 Fairway Lakes Dr, Boynton Beach FL 33472. We are the only residents of this household, and I am his primary caretaker. My business' Blinds Alliance LLC as well as Hersh Blinds LLC are the only active Blinds businesses that are utilizing this aforementioned address as their principal place of business. An individual who long ago temporarily resided, (but no longer does) at this residence has fraudulently continued to register this address as their principal place of business annually in their 2018, 2019, 2020, 2021 annual reports despite never having performed any business functions whatsoever at the aforementioned address, in the duration these annual reports were filed. This was knowingly done in violation of Florida statutes 817.155, & 607.501. Blinds Pros INC simply changed their mailing address to where their principal place of business is conducting its work at (10811 Cambay circle). And even went as far as to list a registered agent (in the 2020 report) as being at 6959 Fairway lakes drive despite her never having been to this residence. Please investigate this matter further and instruct Blinds Pros INC to adhere to FL law and not register its principal place of business fraudulently. I have provided with this document FL State Issued ID cards noting the addresses of me and my grandfather as well as the disputed filed reports of Blinds Pros INC that are mentioned herein. Thank you for your time and concern.
