Re: Todd Kearns – Articles of Amendment

To whom it May Concern:

I am contacting your office to report what I feel may be fraudulent activity against my person which is causing significant time, energy, cost, and legal ramifications.

As shown in ATTACHMENT 1, I was Chief Development Officer for the *Department of Green Energy, Inc.* ("DOGE"). Three other individuals were listed as President, CFO and Vice President.

In June 2020, I was suddenly notified by Ames Friedman, DOGE President, I was no longer part of the company and barred from entry at the business offices. Consequently, from that point on, I had no further contact with DOGE, assuming I was no longer a part of that entity.

Because of these lawsuits, Ames Friedman, DOGE President, without my knowledge or consent, filed and signed an AMENDMENT (ATTACHMENT 2), by which I was designated as **the only company officer (now Chief Executive Officer)** even though, as previously stated, I had been ousted from the company.

This Amendment filing appears to be a malicious act to make me the only recipient of lawsuits against DOGE by investors and subcontractors who are trying to recover their money from DOGE. When I attempted to visit the DOGE offices to discuss this matter, I was informed by the building manager that DOGE had vacated the premises.

I am therefore submitting the attached AMENDMENT (ATTACHMENT 3) to have my name permanently removed as a designated DOGE officer.

Thank you for your attention to this matter.

Sincerely,

Todd Kearns
