Hi, Ms. Golden,

Let me explain what happened.

I applied for Oryza Pharmaceuticals LLC. And I also want to apply for Oryza Pharmaceutical Inc.

I first applied the application through mail. But I later found out I can apply through website. I was told it's quicker.

So please ignore the mail filing and approve my application through eFiling.

Sorry for the confusion. Please approve my application at your earliest convenience. Thanks again.

It appears that another business entity with the same name filed earlier this year is causing a name conflict with your recent submission. If these two entities are related, please respond to us with that information and we will complete the new filing as soon as possible.
