ARTICLE 1. NAME

The name of this corporation is Giggate, Inc.

ARTICLE 2. ADDRESS

The principle place of business is 10990 Fort Caroline Road, No. 350763, Jacksonville, FL 32225.

ARTICLE 3. PURPOSE

The purpose for which this organization is organized is advertising and marketing services provided by means of indirect methods of marketing communications, namely, social media, search engine marketing, inquiry marketing, internet marketing, mobile marketing, blogging and other forms of passive, sharable or viral communications channels.

ARTICLE 4. SHARES

4.1 Authorized Capital

The total number of shares which this corporation is authorized to issue is 10,000,000, consisting of three classes of shares to be designated, respectively, "***Class A Common Stock***," "***Class B Common Stock***" (collectively the Class A Common Stock and the Class B Common Stock are referred to herein as the "***Common Stock***") and "***Preferred Stock***." The total number of shares of Class A Common Stock that this corporation shall have authority to issue is 7,000,000 shares, each with a par value of \$0.00001. The total number of shares of Class B Common Stock that this corporation shall have authority to issue is 2,000,000 shares, each with a par value of \$0.00001. The total number of shares of Preferred Stock that this corporation shall have authority to issue is 1,000,000 shares, each with a par value of \$0.00001.

4.2 Preferred Stock

This corporation's board of directors (the "***Board of Directors***") shall have the full authority permitted by law to divide the authorized and unissued shares of Preferred Stock into series, and to provide for the issuance of such shares in an aggregate amount, not exceeding the aggregate number of shares of Preferred Stock authorized by this corporation's articles of incorporation, as amended or restated from time to time. The Board of Directors shall have the authority to fix and determine and to amend the number of shares of any series of Preferred Stock that is wholly unissued or to be established and to fix and determine and to amend the designation, preferences, voting powers and limitations, and the relative, participating, optional or other rights, of any series of shares of Preferred Stock that is wholly unissued or to be established, including, without limiting the generality of the foregoing, the voting rights relating to shares of such series of Preferred Stock, the rate of dividend to which holders of shares of such series of Preferred Stock may be entitled, the rights of holders of shares of such series of Preferred Stock in the event of liquidation, dissolution or winding up of the affairs of this corporation, the rights of holders of shares of such series of Preferred Stock to convert or exchange shares of such series of Preferred Stock for shares of any other capital stock or

for any other securities, property or assets of this corporation, and whether or not the shares of such series of Preferred Stock shall be redeemable and, if so, the term and conditions of such redemption.

Before this corporation shall initially issue shares of a series of Preferred Stock, articles of amendment setting forth the terms of such series shall be filed with the Secretary of State of the State of Florida, and shall be effective without shareholder approval. Unless otherwise specifically provided in the resolution establishing any series of Preferred Stock, the Board of Directors shall further have the authority, after the issuance of shares of a series whose number it has designated, to amend the resolution establishing such series to decrease the number of shares of that series, but not below the number of shares of such series then outstanding.

Notwithstanding the foregoing provisions, this corporation shall not, without the approval of the holders of at least a majority of the outstanding shares of Class B Common Stock, considered as a separate voting group, or the written agreement of the holders of at least a majority of the outstanding shares of Class B Common Stock: (i) initially issue any series of Preferred Stock, or any other security convertible into or exercisable for any such series of Preferred Stock, including by merger or otherwise, or (ii) amend the designation, preferences, voting powers and limitations, or rights, of any series of Preferred Stock, or any other security convertible into or exercisable for any such series of Preferred Stock, unless, in the case of either clause (i) or (ii) above, such action is approved by the Board of Directors including at least one of the Founders acting in her capacity as a director of this corporation.

4.3 Common Stock

The preferences, limitations, voting powers and relative rights of the Class A Common Stock and the Class B Common Stock (subject to the preferences and rights of the Preferred Stock as determined by the Board of Directors) are as follows:

(a) Voting Rights.

(i) Except as otherwise provided in these Articles, or except as required by applicable law, the holders of Class A Common Stock and the holders of Class B Common Stock shall vote together as a single voting group on all matters submitted to a vote of this corporation's shareholders.

(ii) Except as otherwise expressly provided in these Articles, each holder of Class A Common Stock shall be entitled to one (1) vote for each share of Class A Common Stock held as of the applicable record date on any matter that is submitted to a vote of the shareholders of this corporation (including, without limitation, any matter voted on at a shareholders' meeting), and

(iii) Except as otherwise expressly provided in these Articles, each holder of Class B Common Stock shall be entitled to ten (10) votes for each share of Class B Common Stock held as of the applicable record date on any matter that is submitted to a vote of the shareholders of the corporation (including, without limitation, any matter voted on at a shareholders' meeting).

(b) Dividends and Distributions. Subject to the preferences applicable to any series of Preferred Stock, if any, outstanding at any time, shares of Class A Common Stock and Class B Common Stock shall be treated equally, identically and ratably, on a per share basis, with respect to any Distribution as may be declared by the Board of Directors from time to time with respect to the Common Stock, unless different treatment of the shares of each such class is approved by the affirmative vote of the holders of a majority of the outstanding shares of Class A Common Stock and the holders of a majority of the outstanding shares of Class B Common Stock, each voting separately as a separate voting group; provided, however, that in the event any such Distribution declared by the Board of Directors with respect to the Common Stock is paid in the form of Class A Common Stock or Class B Common Stock (or Rights to acquire such class of stock), then holders of Class A Common Stock shall receive Class A Common Stock (or Rights to acquire such stock, as the case may be) and holders of Class B Common Stock shall receive Class B Common Stock (or Rights to acquire such stock, as the case may be). Subject to the preferences applicable to any series of Preferred Stock, the shares of Class A Common Stock and the shares of Class B Common Stock are entitled to the net assets of this corporation upon dissolution.

(c) Subdivision or Combination. If this corporation in any manner subdivides or combines the outstanding shares of Class A Common Stock or Class B Common Stock, the outstanding shares of the other such class will be subdivided or combined in the same proportion and manner, unless different treatment of the shares of each such class is approved

by the affirmative vote of the holders of a majority of the outstanding shares of Class A Common Stock and the holders of a majority of the outstanding shares of Class B Common Stock, each voting separately as a separate voting group.

(d) Equal Status. Except as otherwise expressly provided in these Articles or required by applicable law, shares of Class A Common Stock and shares of Class B Common Stock shall have the same rights and privileges and rank equally, share ratably and be identical in all respects as to all matters. Without limiting the generality of the foregoing sentence, in connection with a Change of Control Transaction, shares of Class A Common Stock and Class B Common Stock shall be treated equally, identically and ratably, on a per share basis, with respect to any consideration into which such shares are converted or any consideration paid or otherwise distributed in respect of such shares to shareholders of this corporation, unless different treatment of the shares of each such class is approved by the affirmative vote of the holders of a majority of the outstanding shares of Class A Common Stock and the holders of a majority of the outstanding shares of Class B Common Stock, each voting separately as a separate voting group.

(e) Conversion of Class B Common Stock.

(i) Voluntary Conversion. Each share of the Class B Common Stock shall be convertible into one fully paid and nonassessable share of Class A Common Stock at the option of the holder thereof at any time upon either (A) written notice to the Secretary and compliance with the procedures for voluntary conversion, or (B) if the holders of a majority of the outstanding shares of Class B Common Stock and the corporation have entered into a written agreement to amend the procedures, or adopt other procedures, governing the voluntary conversion of the Class B Common Stock, upon compliance with such procedures as amended or adopted in such written agreement.

(ii) Automatic Conversion. Each share of Class B Common Stock shall automatically, without any further action, convert into one fully paid and nonassessable share of Class A Common Stock upon a Transfer of such share, other than a Transfer:

(A) from a Founder, or any Permitted Entity of such Founder, to the other Founder, or any Permitted Entity of such other Founder.

(B) by a Founder to any of the entities, accounts, plans or trusts listed in clauses (1) through (6) below (each, a "***Permitted Entity***" and, collectively, "***Permitted Entities***"), and from any such Permitted Entity back to such Founder and/or any other Permitted Entity established by or for such Founder:

(1) a trust for the benefit of such Founder or persons other than such Founder so long as such Founder has sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such trust; provided such Transfer does not involve any payment of cash, securities, property or other consideration (other than an interest in such trust) to such Founder, and provided, further, that in the event such Founder no longer has sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such trust, each share of Class B Common Stock then held by such trust shall automatically convert into one (1) fully paid and nonassessable share of Class A Common Stock;

(2) a trust under the terms of which such Founder has retained a "qualified interest" within the meaning of Section 2702(b)(1) of the Internal Revenue Code and/or a reversionary interest so long as such Founder has sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such trust; provided, however, that in the event such Founder no longer has sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such trust, each share of Class B Common Stock then held by such trust shall automatically convert into one (1) fully paid and nonassessable share of Class A Common Stock;

(3) an Individual Retirement Account, as defined in Section 408(a) of the Internal Revenue Code, or a pension, profit sharing, stock bonus or other type of plan or trust of which such Founder is a participant or beneficiary and which satisfies the requirements for qualification under Section 401 of the Internal Revenue Code; provided that in each case such Founder has sole dispositive power

and exclusive Voting Control with respect to the shares of Class B Common Stock held in such account, plan or trust, and provided, further, that in the event such Founder no longer has sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such account, plan or trust, each of such Founder's shares of Class B Common Stock then held by such account, plan or trust shall automatically convert into one (1) fully paid and nonassessable share of Class A Common Stock;

(4) a corporation in which such Founder directly, or indirectly through one or more Permitted Entities, owns shares with sufficient Voting Control in the corporation, or otherwise has legally enforceable rights, such that such Founder retains sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such corporation; provided that in the event such Founder no longer owns sufficient shares or no longer has sufficient legally enforceable rights to enable such Founder to retain sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such corporation, each share of Class B Common Stock then held by such corporation shall automatically convert into one (1) fully paid and nonassessable share of Class A Common Stock;

(5) a partnership in which such Founder directly, or indirectly through one or more Permitted Entities, owns partnership interests with sufficient Voting Control in the partnership, or otherwise has legally enforceable rights, such that such Founder retains sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such partnership; provided that in the event such Founder no longer owns sufficient partnership interests or no longer has sufficient legally enforceable rights to enable such Founder to retain sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such partnership, each share of Class B Common Stock then held by such partnership shall automatically convert into one (1) fully paid and nonassessable share of Class A Common Stock; or

(6) a limited liability company in which such Founder directly, or indirectly through one or more Permitted Entities, owns membership interests with sufficient Voting Control in the limited liability company, or otherwise has legally enforceable rights, such that such Founder retains sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such limited liability company; provided that in the event such Founder no longer owns sufficient membership interests or no longer has sufficient legally enforceable rights to enable such Founder to retain sole dispositive power and exclusive Voting Control with respect to the shares of Class B Common Stock held by such limited liability company, each share of Class B Common Stock then held by such limited liability company shall automatically convert into one (1) fully paid and nonassessable share of Class A Common Stock.

(iii) Conversion Upon Death or Mental Disability. Each share of Class B Common Stock held of record by a Founder, or by any of such Founder's Permitted Entities, shall automatically, without any further action, convert into one fully paid and nonassessable share of Class A Common Stock upon the death or Mental Disability of such Founder; provided, however, that:

(A) If a Founder or such Founder's Permitted Entity (in either case, the "**Transferring Founder**") transfers exclusive Voting Control (but not ownership) of shares of Class B Common Stock to the other Founder (the "**Transferee Founder**") which transfer of Voting Control is contingent or effective upon the death or Mental Disability of the Transferring Founder, then each share of Class B Common Stock that is the subject of such transfer shall automatically convert into one fully paid and nonassessable share of Class A Common Stock upon that date which is the earlier of: (a) nine months after the earlier of the date upon which the Transferring Founder died or the date upon which Mental Disability in respect of such Transferring Founder occurred, as the case may be, or (b) the date upon which the Transferee Founder ceases to hold exclusive Voting

Control over such shares of Class B Common Stock; provided, further, that if the Transferee Founder shall die or suffer Mental Disability within nine months following the death or Mental Disability, as the case may be, of the Transferring Founder, then a trustee designated by the Transferee Founder and approved by the Board of Directors may exercise Voting Control over: (x) such shares of Class B Common Stock of the Transferring Founder or the Transferring Founder's Permitted Entity and, in such instance, each such share of Class B Common Stock shall automatically convert into one fully paid and nonassessable share of Class A Common Stock upon that date which is the earlier of (1) nine months after the earlier of the date upon which the Transferring Founder died or the date upon which Mental Disability in respect of such Transferring Founder occurred, as the case be, or (2) the date upon which such trustee ceases to hold exclusive Voting Control over such shares of Class B Common Stock; and (y) the Transferee Founder's shares of Class B Common Stock (or shares of Class B Common Stock held of record by any Permitted Entity of the Transferee Founder) and, in such instance, each such share of Class B Common Stock shall automatically convert into one fully paid and nonassessable share of Class A Common Stock upon that date which is the earlier of: (1) nine months after the earlier of the date upon which the Transferee Founder died or the date upon which Mental Disability in respect of such Transferee Founder occurred, as the case be, or (2) the date upon which such trustee ceases to hold exclusive Voting Control over such shares of Class B Common Stock; and

(B) If one Founder dies or Mental Disability in respect of such Founder occurs simultaneously with when the other Founder dies or Mental Disability in respect of such other Founder occurs (such simultaneous occurrence, a "*Simultaneous Event*"), a trustee designated by the Founders and approved by the Board of Directors may exercise Voting Control over the Founders' shares of Class B Common Stock (or shares of Class B Common Stock held of record by any of the Permitted Entities of either of the Founders) and, in such instance, each such share of Class B Common Stock shall automatically convert into one fully paid and nonassessable share of Class A Common Stock upon that date which is the earlier of (a) nine months after the date of the Simultaneous Event or (b) the date upon which such trustee ceases to hold exclusive Voting Control over such shares of Class B Common Stock.

(iv) Procedures. This corporation may, from time to time, establish such policies and procedures relating to the administration of the dual class structure, including, without limitation, the issuance of stock certificates or procedures with respect to book entry systems, as it deems necessary or advisable. This corporation may request that holders of shares of Class B Common Stock furnish affidavits, certificates or other proof to this corporation as it deems necessary to verify the ownership of Class B Common Stock and to confirm that a conversion to Class A Common Stock has not occurred. A determination by the Secretary of this corporation (the "*Secretary*") with respect to whether a Transfer results in a conversion to Class A Common Stock shall be conclusive and binding.

(v) Mechanics of Conversion. Before any holder of Class B Common Stock shall be entitled to convert voluntarily some or all shares of such holder's Class B Common Stock into shares of Class A Common Stock pursuant to Section 4.3(e)(i) of this Article 2, such holder shall give signed written notice (the "*Conversion Notice*") to the Secretary at the office of this corporation that such holder elects to convert the same, shall state therein the number of shares to be converted into shares of Class A Common Stock, and shall surrender the certificate or certificates evidencing the shares of Class B Common Stock of which all or a portion are to be converted, at the office of this corporation (and accompanied by all transfer taxes (or proof of payment thereof), if any); provided, however, that if the certificate or certificates evidencing the shares to be converted have been lost, stolen, or destroyed, the holder may, in lieu of delivering such certificate or certificates, notify the Secretary that such certificate or certificates have been lost, stolen, or destroyed and execute and deliver an agreement satisfactory to this corporation (the "*lost certificate agreement*") to indemnify this corporation from any loss incurred by it in connection with such certificate or certificates. If requested by such holder, this corporation shall, as soon as practicable thereafter, provide for the issuance and delivery to such holder, at the address for delivery indicated in the Conversion Notice, of a certificate or certificates for the number of shares of Class A Common Stock into which such holder has elected to convert the applicable shares of Class B Common Stock and to which such holder shall be entitled as aforesaid. Such conversion shall be deemed to have been made immediately before the close of business on the later of (A) the date of receipt by the Secretary of the Conversion Notice and (B) the date of either (i) the surrender to the Secretary of the certificate or certificates evidencing the shares of Class B Common

Stock to be converted or (ii) the delivery of the lost certificate agreement, as the case may be (the later of the dates under clause (A) or clause (B), the "**Voluntary Conversion Date**"), and the holder entitled to receive the shares of Class A Common Stock upon such conversion shall be treated for all purposes as the record holder of such shares of Class A Common Stock on such Voluntary Conversion Date. Notwithstanding anything to the contrary in this Section 4.3, upon the written agreement of the holders of a majority of the outstanding shares of Class B Common Stock and the corporation, this corporation may amend the procedures, or adopt other procedures, governing the voluntary conversion of the Class B Common Stock. Notwithstanding anything to the contrary in this Section 4.3, automatic conversion of the shares of Class B Common Stock pursuant to Section 4.3(e)(ii) or Section 4.3(e)(iii) of this Article 4 shall be effective without any further action on the part of the holder of such shares and shall be effective whether or not the certificates for such shares are surrendered to this corporation. Upon any conversion of shares of Class B Common Stock to Class A Common Stock, all rights of the holder (as of immediately prior to such conversion) of such shares of Class B Common Stock shall cease and the person, persons, entity or entities entitled to receive the shares of Class A Common Stock upon such conversion shall be treated for all purposes as having become the record holder or record holders of such shares of Class A Common Stock. Shares of Class B Common Stock that are converted into shares of Class A Common Stock as provided in this Section 4.3(e) shall be retired and may not be reissued.

(f) Reservation of Stock. This corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class A Common Stock, solely for the purpose of effecting the conversion of the shares of Class B Common Stock, such number of its shares of Class A Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Class B Common Stock into shares of Class A Common Stock.

(g) Definitions.

As used in these Articles, including this Article 4, the following terms shall have the following meanings:

"**Change of Control Transaction**" means the occurrence of any of the following events:

(a) the sale, lease, exchange or other disposition (other than liens, encumbrances and the grant of security interests in the ordinary course of business and non-exclusive licenses in the ordinary course of business) by this corporation of all or substantially all of this corporation's property and assets (which shall for such purpose include the property and assets of any direct or indirect subsidiary of this corporation); provided that any sale, lease, exchange or other disposition of property or assets exclusively between or among this corporation and any direct or indirect subsidiary or subsidiaries of this corporation shall not be deemed a "Change of Control Transaction"; or

(b) the merger or consolidation of this corporation with or into any other corporation or entity, or the acquisition of this corporation by means of a share exchange, other than a merger, consolidation or share exchange that would result in the voting securities of this corporation outstanding immediately prior thereto continuing to represent, or being converted into, cancelled in consideration of obtaining the right to receive, or exchanged for, voting securities that represent, immediately following such merger, consolidation or share exchange, more than fifty percent (50%) of the total voting power of the capital stock of (i) this corporation or the surviving entity or (ii) if this corporation or the surviving entity is a subsidiary of another entity immediately following such merger, consolidation or share exchange, the parent entity of this corporation or the surviving entity.

"**Conversion Notice**" has the meaning ascribed to such term in Section 4.3(e)(v) of Article 4.

"**Distribution**" means (i) any dividend or distribution of cash, property or shares of this corporation's capital stock; and (ii) any distribution following or in connection with any liquidation, dissolution or winding up of this corporation, either voluntary or involuntary.

"**Founders**" or "**Directors**" means Janet (J. Sky) Beal and Bjorn T. Foss, as natural living persons.

"**Mental Disability**" means, with respect to a Founder, permanent and total disability such that such Founder is unable to engage in any substantial gainful activity by reason of any medically determinable mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months as determined by a licensed medical practitioner. In the event of a dispute as to whether a Founder has suffered a Mental Disability, no Mental Disability of the Founder

shall be deemed to have occurred unless and until an affirmative ruling regarding such Mental Disability has been made by a court of competent jurisdiction, and such ruling has become final and non-appealable.

“**Permitted Entity**” and “**Permitted Entities**” have the meanings ascribed to such terms in Section 4.3(e)(ii)(B) of Article 4.

“**Rights**” means any option, warrant, conversion right or contractual right of any kind to acquire shares of this corporation’s authorized but unissued capital stock.

“**Secretary**” has the meaning ascribed to such term in Section 4.3(e)(iv) of Article 4, except that such meaning does not apply to the use of the term “Secretary” in Section 4.2 of Article 4.

“**Transfer**” of a share of Class B Common Stock shall mean any sale, assignment, transfer, conveyance, hypothecation or other transfer or disposition of such share or any legal or beneficial interest in such share, whether or not for value and whether voluntary or involuntary or by operation of law. A “Transfer” shall also include, without limitation, (i) a transfer of a share of Class B Common Stock to a broker or other nominee, regardless of whether or not there is a corresponding change in beneficial ownership (provided however that any such transfer to a broker or other nominee that is determined by the Secretary to have been unintended by the transferor shall not be considered a “Transfer” if no shareholder vote has occurred since such unintended transfer to the broker or nominee and such transfer to the broker or nominee is rescinded, revoked or reversed within 15 days after the transferor first becomes aware of such unintentional transfer) or (ii) the transfer of, or entering into a binding agreement with respect to, Voting Control over a share of Class B Common Stock by proxy or otherwise; provided, however, that the following shall not be considered a “Transfer”:

- (a) the grant of a proxy to officers or directors of this corporation at the request of the Board of Directors of this corporation in connection with actions to be taken at an annual or special meeting of shareholders;

- (b) the entering into a voting trust, agreement or arrangement (with or without granting a proxy) solely with shareholders who are Founders or one or more Permitted Entities of Founders, that (1) is disclosed in writing to the Secretary, (2) either has a term not exceeding one (1) year or is terminable by the Founders or one or more Permitted Entities of Founders at any time, and (3) does not involve any payment of cash, securities, property or other consideration to a Founder or any Permitted Entity of a Founder other than the mutual promise to vote shares in a designated manner;

- (c) the transfer of exclusive Voting Control with respect to shares of Class B Common Stock of one or more of the Founders or one or more Permitted Entities of a Founder permitted in Section 4.3(e)(iii) of Article 4;

- (d) the entering by any of a Founder or one or more Permitted Entities of a Founder into a voting trust, agreement or arrangement (with or without granting a proxy) with any of the other Founder, one or more Permitted Entities of a Founder or a trustee that is entered into to provide for transfer of Voting Control contingent upon the death or Mental Disability of a Founder in accordance with Section 4.3(e)(iii) of Article 4; provided that (i) the parties to such voting trust, agreement or arrangement shall agree that the provisions of Section 4.3(e)(iii) of Article 4 apply in respect of such voting trust, agreement or arrangement, and (ii) if a voting trust, (A) the transfer of shares of Class B Common Stock by a Transferring Founder or such Transferring Founder’s Permitted Entities to the Transferee Founder in his capacity as trustee of such voting trust shall be deemed not to be a transfer of ownership for purposes of the second parenthetical of Section 4.3(e)(iii)(A) of Article 4, and (B) the transfer of shares of Class B Common Stock to the trustee of such voting trust in such trustee’s capacity as trustee of the voting trust shall be deemed not to be a Transfer;

- (e) the pledge of shares of Class B Common Stock by a Founder or a Permitted Entity of a Founder that creates a mere security interest in such shares pursuant to a bona fide loan or indebtedness transaction so long as the Founder continues to exercise exclusive Voting Control over such pledged shares; provided, however, that a foreclosure on such shares of Class B Common Stock or other similar action by the pledgee shall constitute a “Transfer”; or

- (f) the fact that the spouse of any Founder possesses or obtains a community property interest in such Founder’s shares of Class B Common Stock arising solely by reason of the application of the community property laws of any jurisdiction, so long as no other event or

circumstance shall exist or have occurred that constitutes a "Transfer" of such shares of Class B Common Stock.

"*Transferee Founder*" has the meaning ascribed to such term in Section 4.3(e)(iii)(A) of Article 4.

"*Transferring Founder*" has the meaning ascribed to such term in Section 4.3(e)(iii)(A) of Article 4.

"*Voluntary Conversion Date*" has the meaning ascribed to such term in Section 4.3(e)(v) of Article 4.

"*Voting Control*" with respect to a share of Class B Common Stock means the power (whether exclusive or shared) to vote or direct the voting of such share of Class B Common Stock by proxy, voting agreement, or otherwise.

4.4 No Further Issuance

Except for the issuance or payment of Class B Common Stock pursuant to and in accordance with Section 4.3(b) of Article 4, this corporation shall not issue any additional shares of Class B Common Stock, unless such issuance is approved by the affirmative vote of the holders of a majority of the outstanding shares of Class A Common Stock and the holders of a majority of the outstanding shares of Class B Common Stock, each voting separately as a separate voting group.
