Re: Company Number P13000038667 Loba Essentials, Inc.

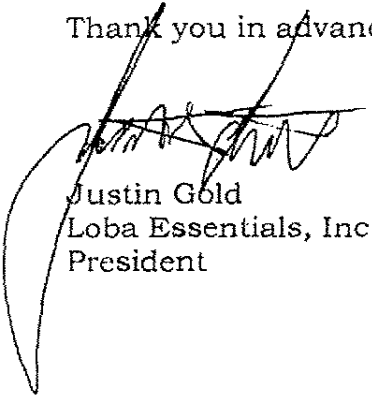

Hello Valerie,

Thank you for taking the time to speak with me the other day regarding the request to file for a new company using the same corporation name.

Document Number: W16000057259  
Entity Name: LOBA ESSENTIALS, INC.  
Tracking Number: 600289107476  
Pin Number: 7476

Per our conversation, I explained that previously the two partners agreed to dissolve the Old Loba Essentials with the intent of creating and establishing a NEW Loba Essentials with myself as the president. The two ladies are both still part of the new company but have added me as a partner. I respect and appreciate that there is normally a grace period of 120-day turnaround time, from dissolving to creating with the same name, however this is a unique case in that we are virtually the same company but want a fresh start with myself as the president and the addition of myself as a new partner. I am hoping to expedite the approval of the NEW Loba Essentials, Inc. seeing as we have our patent lawyers ready to move forward once the filing has been approved.

Thank you in advance for your time and consideration,

Justin Gold  
Loba Essentials, Inc.  
President
