We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refile the complete document, including the electronic filing cover sheet.

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of a voluntarily dissolved business entity. The name of a voluntarily dissolved business entity is not available for the assumption or use by another entity until 120 days after the effective date of dissolution unless the dissolved business entity provides the Department of State with an affidavit or letter, stating that they have no intention of revoking the dissolution, therefore, releasing the name for use to another entity.

P03000063898-FLORIDA PROPERTY MANAGEMENT GROUP INC,

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

If you have any further questions concerning your document, please call (850) 245-6052.
