We have received your document for PARAMOUNT PROPERTY PROFESSIONALS and your check(s) totaling \$122.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

Please correct conversion document information.,

The Certificate of Conversion must be signed by an authorized person.

The name must contain a word that will clearly indicate that it is a corporation. Such words include: CORPORATION, CORP., COMPANY, CO., INC., and INCORPORATED.

The document must state the number of shares of authorized stock. The consultation of a legal counsel is always recommended if uncertain of the appropriate number of shares to authorize.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6052.

You failed to make the correction(s) requested in our previous letter.

Business entities which are filing late in the current calendar year and do not anticipate transacting business until January 1st of the upcoming calendar year may wish to adopt a January 1st effective date. By adopting a January 1st effective date your business entity's existence will not become effective until January 1st of the upcoming calendar year and its first annual report filing requirement will be delayed by one calendar year.

Please return the corrected original and one copy of your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.
