We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

The document submitted does not meet legibility requirements for electronic filing. Please do not attempt to refax this document until the quality has been improved.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

The document submitted does not meet legibility requirements for electronic filing. Please do not attempt to refax this document until the quality has been improved.
