We received your online transmitted document. However, the document has not been filed for the following:

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity.

One or more major words may be added to make the name distinguishable from the one presently on file.

The document number of the name conflict is L12000113996.

If your business entity does not intend to transact business until January 1st of the upcoming calendar year, you may wish to revise your document to include an effective date of January 1st. If you do not list an effective date of January 1st, your business entity will become effective this calendar year and it will be required to file an annual report and pay the required annual report fee for the upcoming calendar year this coming January, which is merely weeks away. By listing an effective date of January 1st, the entity's existence will not begin until January 1st of the upcoming year and will, therefore, postpone the entity's requirement to file an annual report and pay the required annual report filing fee until the following calendar year.

To make the necessary corrections to your filing, return to our website at www.sunbiz.org <<http://www.sunbiz.org>> and select the filing type your wanting to correct under the 'Filing Services' menu and click on the 'File or Correct' button.
