AMENDED AND RESTATED ARTICLES OF INCORPORATION
MEDICAL PAYMENT STRATEGIES, INC.

2017 JAN 27 A 11:36
SECRETARY OF STATE
TALLAHASSEE, FLORIDA

Bill B. Blakey hereby certifies that:

1. He is the duly elected and acting President and Secretary of MEDICAL PAYMENT STRATEGIES, INC., a Florida corporation.
2. The Articles of Incorporation of this corporation are hereby amended and restated to read as follows:

I

The name of the corporation is MEDICAL PAYMENT STRATEGIES, INC. (the "Corporation" or the "Company").

II

The address of the registered office of the Corporation in the State of Florida is:

Seiler, Sautter, Zaden, Rimes & Wahlbrink
2850 North Andrews Avenue
Fort Lauderdale, FL 33311

The name of the Corporation's registered agent at said address is: C. Christian Sautter, Esq.

III

The purpose of the Corporation is to engage in any lawful act or activity for which a corporation may be organized under the Florida Business Corporation Act.

IV

A. The Corporation is authorized to issue two classes of stock to be designated, respectively, "Common Stock" and "Preferred Stock." The par value of the Common Stock shall be one cent (\$.01). The par value of the Common Stock shall be deemed retroactive to and effective as of January 1, 2017. The total number of shares which the Corporation is authorized to issue is Twenty-One Thousand (21,000) shares, Eleven Thousand (11,000) shares of which shall be Common Stock (the "Common Stock") and Ten Thousand (10,000) shares of which shall be Preferred Stock (the "Preferred Stock").

B. The number of authorized shares of Common Stock may be increased or decreased (but not below the number of shares of Common Stock then outstanding) by the affirmative vote of the holders of a majority of the stock of the Corporation (voting together on an as-if-converted basis).

C. Ten Thousand (10,000) shares of the authorized shares of Preferred Stock are hereby designated Series A Convertible Preferred Stock (the "Series A Preferred"). The "Original Issue Price" of the Series A Preferred shall be One Hundred Two Dollars and 04/100 cents (\$102.04).

D. The rights, preferences, privileges, restrictions and other matters relating to the Series A Preferred are as follows:

1. Dividend Rights.

(a) Holders of Series A Preferred, in preference to the holders of any other stock of the Company ("Junior Stock"), shall be entitled to receive, when and as declared by the Board of Directors, but only out of funds that are legally available therefor, cash dividends at the rate to be determined by the Board of Directors from time to time for each outstanding share of Series A Preferred (as adjusted for any stock dividends, combinations, splits, recapitalizations and the like with respect to such shares). Such dividends shall be payable only when, as and if declared by the Board of Directors and shall be non-cumulative from the Original Issue Date of the Series A Preferred (as defined in Section 4(e) below).

(b) So long as any shares of Series A Preferred shall be outstanding, no dividend, whether in cash or property, shall be paid or declared, nor shall any other distribution be made, on any Junior Stock, nor shall any shares of any Junior Stock of the Company be purchased, redeemed, or otherwise acquired for value by the Company (except for acquisitions of Common Stock by the Company pursuant to agreements which permit the Company to repurchase such shares upon termination of services to the Company or in exercise of the Company's right of first refusal upon a proposed transfer) until all dividends (set forth in Section 1(a) above) on the Series A Preferred shall have been paid or declared and set apart. In the event dividends are paid on any share of Common Stock, an additional dividend shall be paid with respect to all outstanding shares of Series A Preferred in an amount equal per share (on an as-if-converted to Common Stock basis) to the amount paid or set aside for each share of Common Stock. The provisions of this Section 1(b) shall not, however, apply to (i) a dividend payable in Common Stock, (ii) the acquisition of shares of any Junior Stock in exchange for shares of any other Junior Stock, or any repurchase of any outstanding securities of the Company that is unanimously approved by the Company's Board of Directors.

2. Voting Rights.

(a) **General Rights.** Except as otherwise provided herein or as required by law, the Series A Preferred shall be voted with the shares of the Common Stock of the Company and not as a separate class, at any annual or special meeting of shareholders of the Company, and may act by written consent in the same manner as the Common Stock in either case upon the following basis: each holder of shares of Series A Preferred shall be entitled to such number of votes as shall be equal to the whole number of shares of Common Stock into which such holder's aggregate number of shares of Series A Preferred are convertible (pursuant to Section 4 hereof) immediately after the close of business on the record date fixed for such meeting or the effective date of such written consent.

(b) **Unanimous Separate Vote of Series A Preferred.** For so long as at least Nine Hundred (900) shares of Series A Preferred remain outstanding, in addition to any other vote or consent required herein or by law, the unanimous vote or written consent of the holders of the outstanding Series A Preferred shall be necessary for effecting or validating the following actions:

(i) Any amendment, alteration, or repeal of any provision of the Restated Articles or the Bylaws of the Company that affects adversely the voting powers, preferences, or other special rights or privileges, qualifications, limitations, or restrictions of the Series A Preferred;

(ii) Any agreement by the Company or its stockholders regarding an Acquisition, Asset Transfer (each as defined in Article IV(D)(2)(c) below) or any voluntary dissolution or liquidation of the Company;

(iii) Any authorization or any increase, whether by reclassification or otherwise, in the authorized amount of any class of shares or series of equity securities of the Company ranking on a parity with or senior to the Series A Preferred in right of redemption, liquidation preference, voting or dividends;

(iv) Any declaration of (i) a regular dividend or (ii) a special dividend;

(v) Any loan or of money or guarantee of the debts or other obligations of any entity or person;

(vi) Any acquisition of real property, whether improved or unimproved, or any interest therein;

(vii) Any admission of an additional entity or person as a shareholder;

(viii) Any change to the name of the Company;

(ix) Dissolution, liquidation and winding-up the affairs of the Company;

(x) Filing for bankruptcy, appointment of a receiver or trustee or making a transfer for the benefit of creditors;

(xi) Any commencement, settlement or dismissal of litigation by or against the Company that is not covered by insurance or confessing a judgment against the Company or its assets or any portion thereof; and

(xii) Any action or agreement causing the Company to engage in any business other than medical payments processing services.

(c) The following events shall be considered a liquidation under this Section:

(i) any consolidation or merger of the Company with or into any other corporation or other entity or person, or any other corporate reorganization, in which the stockholders of the Company immediately prior to such consolidation, merger or reorganization, own less than fifty percent (50%) of the Company's voting power immediately after such consolidation, merger or reorganization, or any transaction or series of related transactions in which in excess of fifty percent (50%) of the Company's voting power is transferred (an "Acquisition"); or

(ii) a sale, lease or other disposition of all or substantially all of the assets of the Company (an "Asset Transfer").

3. Liquidation Rights.

(a) Upon any liquidation, dissolution, or winding up of the Company, whether voluntary or involuntary before any distribution or payment shall be made to the holders of any Junior Stock, the holders of Series A Preferred shall be entitled to be paid out of the assets of the Company an amount per share of Series A Preferred equal to the Original Issue Price of the Series A Preferred plus all declared and unpaid dividends on such shares of Preferred Stock (as adjusted for any stock dividends, combinations, splits, recapitalizations and the like with respect to such shares) for each share of Series A Preferred held by them.

(b) Intentionally deleted.

(c) An Acquisition or Asset Transfer (each as defined in Article IV(D)(2)(c)) shall be considered a liquidation under this Section.

(d) Notwithstanding the provisions described in Section IV(D)(3)(a), upon an Acquisition, or Asset Transfer (each as defined in Article IV(D)(2)(c), or upon any liquidation, dissolution, or winding up of the Company, whether voluntary or involuntary, before any distribution or payment shall be made to Series A Preferred shareholder Bill B. Blakey or the holders any Junior Stock, the holders of Series A Preferred shall be entitled to receive a per share amount based upon the full Original Issue Price (as adjusted for any stock dividends, combinations, splits, recapitalizations and the like with respect to the Series A Preferred) (the "Series A Investor Preference").

(e) After the payment of the Series A Investor Preference the remaining assets of the Company legally available for distribution, if any, shall be distributed ratably to the holders of the Preferred Stock and of the Common Stock.

(f) Notwithstanding the provisions described in Section IV(D)(3)(a), and Section IV(D)(3)(d) or elsewhere in these Amended and Restated Articles of Incorporation, in the event the Board of Directors previously authorized payment of the full amount of the Series A Investor Preference in form of special dividend or other Board-designated payment(s), then upon any subsequent liquidation, dissolution, or winding up of the Company, whether voluntary or involuntary, the assets of the Company legally available for distribution, if any, shall be distributed ratably, without further preference to the Preferred Stock, to the holders of the Preferred Stock and of the Common Stock.

4. Conversion Rights. The holders of the Series A Preferred shall have the following rights with respect to the conversion of the Series A Preferred into shares of Common Stock (the "Conversion Rights"):

(a) **Optional Conversion.** Subject to and in compliance with the provisions of this Section 4, any shares of Series A Preferred may, at the option of the holder, be converted at any time into fully-paid and nonassessable shares of Common Stock. The number of shares of Common Stock to which a holder of Series A Preferred shall be entitled upon conversion shall be the product obtained by multiplying the "Series A Conversion Rate" then in effect (determined as provided in Section 4(b)) by the number of shares of Series A Preferred being converted.

(b) **Series A Preferred Conversion Rate.** The conversion rate in effect at any time for conversion of the Series A Preferred (the "Series A Conversion Rate") shall be the quotient obtained by dividing the Original Issue Price of the Series A Preferred by the "Series A Preferred Conversion Price," calculated as provided in Section 4(c).

(c) **Conversion Price.** The conversion price for the Series A Preferred shall initially be the Original Issue Price of the Series A Preferred (the "Series A Conversion Price"). Such initial Series A Conversion Price shall be adjusted from time to time in accordance with this Section 4. All references to the Series A Conversion Price herein shall mean the Series A Conversion Price as so adjusted.

(d) **Mechanics of Conversion.** Each holder of Series A Preferred who desires to convert the same into shares of Common Stock pursuant to this Section 4 shall surrender the certificate or certificates therefor, duly endorsed, at the office of the Company or any transfer agent for the Series A Preferred, and shall give written notice to the Company at such office that such holder elects to convert the same. Such notice shall state the number of shares of Series A Preferred being converted. Thereupon, the Company shall promptly issue and deliver at such office to such holder a certificate or certificates for

the number of shares of Common Stock to which such holder is entitled and shall promptly pay in cash any declared and unpaid dividends on the shares of Series A Preferred being converted. Such conversion shall be deemed to have been made at the close of business on the date of such surrender of the certificates representing the shares of Series A Preferred to be converted, and the person entitled to receive the shares of Common Stock issuable upon such conversion shall be treated for all purposes as the record holder of such shares of Common Stock on such date.

(e) Adjustment for Stock Splits and Combinations. If the Company shall at any time or from time to time after the date that the first share of Series A Preferred is issued (the "Series A Preferred Original Issue Date") effect a subdivision of the outstanding Common Stock, the Series A Conversion Price in effect immediately before that subdivision shall be proportionately decreased. Conversely, if the Company shall at any time or from time to time after the Series A Preferred Original Issue Date combine the outstanding shares of Common Stock into a smaller number of shares, the Series A Conversion Price in effect immediately before the combination shall be proportionately increased. Any adjustment under this Section 4(e) shall become effective at the close of business on the date the subdivision or combination becomes effective.

(f) Adjustment for Common Stock Dividends and Distributions. If the Company at any time or from time to time after the Series A Preferred Original Issue Date makes, or fixes a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in additional shares of Common Stock, in each such event, the Series A Conversion Price that is then in effect shall be decreased as of the time of such issuance or, in the event such record date is fixed, as of the close of business on such record date, by multiplying the Series A Conversion Price then in effect by a fraction (1) the numerator of which is the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date, and (2) the denominator of which is the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution; provided, however, that if such record date is fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Series A Conversion Price shall be recomputed accordingly as of the close of business on such record date; and, thereafter, the Series A Conversion Price shall be adjusted pursuant to this Section 4(f) to reflect the actual payment of such dividend or distribution.

(g) Adjustment for Other Dividends and Distributions. If the Company at any time or from time to time after the Series A Preferred Original Issue Date makes, or fixes a record date for the determination of holders of Common Stock entitled to receive, a dividend or other distribution payable in securities of the Company other than shares of Common Stock, in each such event provision shall be made so that the holders of the Series A Preferred shall receive upon conversion thereof, in addition to the number of shares of Common Stock receivable upon such conversion, the amount of other securities of the Company which they would have received had their Series A Preferred been converted into Common Stock on the date of such event and had they thereafter, during the period from the date of such event to and including the conversion date, retained such securities receivable by them as aforesaid during such period, subject to all other adjustments called for during such period under this Section 4 with respect to the rights of the holders of the Series A Preferred or with respect to such other securities by their terms.

(h) Adjustment for Reclassification, Exchange and Substitution. If at any time or from time to time after the Series A Preferred Original Issue Date, the Common Stock issuable upon the conversion of the Series A Preferred is changed into the same or a different number of shares of any class or classes of stock, whether by recapitalization, reclassification or otherwise (other than an Acquisition or Asset Transfer as defined in Article IV(D)(2)(c) or a subdivision or combination of shares or stock dividend or a reorganization, merger, consolidation or sale of assets provided for elsewhere in

this Section 4), in any such event each holder of Series A Preferred shall have the right thereafter to convert such stock into the kind and amount of stock and other securities and property receivable upon such recapitalization, reclassification or other charge by holders of the maximum number of shares of Common Stock into which such shares of Series A Preferred could have been converted immediately prior to such recapitalization, reclassification or change, all subject to further adjustment as provided herein or with respect to such other securities or property by the terms thereof.

(i) Reorganizations, Mergers, Consolidations or Sales of Assets. If at any time or from time to time after the Series A Preferred Original Issue Date, there is a capital reorganization of the Common Stock (other than an Acquisition or Asset Transfer as defined in Article IV(D)(2)(c) or a recapitalization, subdivision, combination, reclassification, exchange or substitution of shares provided for elsewhere in this Section 4), as a part of such capital reorganization, provision shall be made so that the holders of the Series A Preferred shall thereafter be entitled to receive upon conversion of the Series A Preferred the number of shares of stock or other securities or property of the Company to which a holder of the number of shares of Common Stock deliverable upon conversion would have been entitled on such capital reorganization, subject to adjustment in respect of such stock or securities by the terms thereof. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4 with respect to the rights of the holders of Series A Preferred after the capital reorganization to the end that the provisions of this Section 4 (including adjustment of the Series A Conversion Price then in effect and the number of shares issuable upon conversion of the Series A Preferred) shall be applicable after that event and be as nearly equivalent as practicable.

(j) Certificate of Adjustment. In each case of an adjustment or readjustment of the Series A Conversion Price for the number of shares of Common Stock or other securities issuable upon conversion of the Series A Preferred, if the Series A Preferred is then convertible pursuant to this Section 4, the Company, at its expense, shall compute such adjustment or readjustment in accordance with the provisions hereof and prepare a certificate showing such adjustment or readjustment, and shall mail such certificate, by first class mail, postage prepaid, to each registered holder of Series A Preferred at the holder's address as shown in the Company's books. The certificate shall set forth such adjustment or readjustment, showing in detail the facts upon which such adjustment or readjustment is based, including a statement of (1) the Series A Conversion Price at the time in effect and (2) the type and amount, if any, of other property which at the time would be received upon conversion of the Series A Preferred.

(k) Notices of Record Date. Upon (i) any taking by the Company of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or (ii) any Acquisition (as defined in Article IV(D)(2)(c)) or other capital reorganization of the Company, any reclassification or recapitalization of the capital stock of the Company, any merger or consolidation of the Company with or into any other corporation, or any Asset Transfer (as defined in Article IV(D)(2)(c)), or any voluntary or involuntary dissolution, liquidation or winding up of the Company, the Company shall mail to each holder of Series A Preferred at least twenty (20) days prior to the record date specified therein a notice specifying (1) the date on which any such record is to be taken for the purpose of such dividend or distribution and a description of such dividend or distribution, (2) the date on which any such Acquisition, reorganization, reclassification, transfer, consolidation, merger, Asset Transfer, dissolution, liquidation or winding up is expected to become effective, and (3) the date, if any, that is to be fixed as to when the holders of record of Common Stock (or other securities) shall be entitled to exchange their shares of Common Stock (or other securities) for securities or other property deliverable upon such Acquisition, reorganization, reclassification, transfer, consolidation, merger, Asset Transfer, dissolution, liquidation or winding up.

(l) Automatic Conversion.

(i) Each share of Series A Preferred shall automatically be converted into shares of Common Stock, based on the then-effective Series A Conversion Price, (A) at

any time upon the affirmative election of the holders of at least a majority of the outstanding shares of the Series A Preferred, voting as a single class, or (B) immediately upon the closing of a firmly underwritten public offering pursuant to an effective registration statement under the Securities Act of 1933, as amended, covering the offer and sale of Common Stock for the account of the Company in which (i) the per share price is at least \$150.00 (as adjusted for stock dividends, combinations, splits, recapitalizations and the like), and (ii) the gross cash proceeds to the Company (before underwriting discounts, commissions and fees) are at least \$50,000,000.00 (a "Threshold Public Offering"). Upon such automatic conversion, any declared and unpaid dividends shall be paid in accordance with the provisions of Section 4(d).

(ii) Upon the occurrence of the event specified in subparagraph (i) above, the outstanding shares of Series A Preferred shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Company or its transfer agent; provided, however, that the Company shall not be obligated to issue certificates evidencing the shares of Common Stock issuable upon such conversion unless the certificates evidencing such shares of Series A Preferred are either delivered to the Company or its transfer agent as provided below, or the holder notifies the Company or its transfer agent that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Company to indemnify the Company from any loss incurred by it in connection with such certificates. Upon the occurrence of such automatic conversion of the Series A Preferred, the holders of Series A Preferred shall surrender the certificates representing such shares at the office of the Company or any transfer agent for the Series A Preferred. Thereupon, there shall be issued and delivered to such holder promptly at such office and in its name as shown on such surrendered certificate or certificates, a certificate or certificates for the number of shares of Common Stock into which the shares of Series A Preferred surrendered were convertible on the date on which such automatic conversion occurred, and the Company shall promptly pay any declared and unpaid dividends in accordance with the provisions of Section 4(f).

(m) **Fractional Shares.** No fractional shares of Common Stock shall be issued upon conversion of Series A Preferred. All shares of Common Stock (including fractions thereof) issuable upon conversion of more than one share of Series A Preferred by a holder thereof shall be aggregated for purposes of determining whether the conversion would result in the issuance of any fractional share. If, after the aforementioned aggregation, the conversion would result in the issuance of any fractional shares, the Corporation shall, in lieu of issuing any fractional share, pay cash equal to the product of such fraction multiplied by the Common Stock's fair market value (as determined by the Board) on the date of conversion.

(n) **Reservation of Stock Issuable Upon Conversion.** The Company shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Series A Preferred, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Series A Preferred. If at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Series A Preferred, the Company will take such corporate action as may, in the opinion of its counsel, be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

(o) **Notices.** Any notice required by the provisions of this Section 4 shall be in writing and shall be deemed effectively given: (i) upon personal delivery to the party to be notified, (ii) when sent by confirmed email or facsimile if sent during normal business hours of the recipient; if not, then on the next business day, (iii) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (iv) one (1) day after deposit with a nationally recognized overnight carrier, specifying next day delivery, with written verification of receipt. All notices shall be addressed to each holder of record at the address of such holder appearing on the books of the Company.

(p) **Payment of Taxes.** The Company will pay all taxes (other than taxes based upon income) and other governmental charges that may be imposed with respect to the issue or delivery of shares of Common Stock upon conversion of shares of Series A Preferred, excluding any tax or other charge imposed in connection with any transfer involved in the issue and delivery of shares of Common Stock in a name other than that in which the shares of Series A Preferred so converted were registered.

(q) **No Dilution or Impairment.** The Company shall not amend its Restated Articles of Incorporation or participate in any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, for the purpose of avoiding or seeking to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but shall at all times in good faith assist in carrying out all such action as may be reasonably necessary or appropriate in order to protect the conversion rights of the holders of the Series A Preferred against dilution or other impairment.

5. No Reissuance of Series A Preferred. No share or shares of Series A Preferred acquired by the Corporation by reason of redemption, purchase, conversion or otherwise shall be reissued.

6. Preemptive Rights. Stockholders shall have no preemptive rights except as granted by the Company pursuant to written agreements.

V

1. Board Representation.

(a) **Series A Preferred.** For so long as at least Nine Hundred (900) shares, as adjusted for stock splits and combinations, of Series A Preferred remain outstanding the holders of the Series A Preferred shall have the right to elect one (1) director to the Board of Directors of the Company. A majority of the outstanding Series A Preferred shares shall constitute a quorum for purposes of voting under this Section. If a quorum is present, either in person or by proxy, the majority of the shares represented at any such meeting shall be the act of the Series A Preferred shareholders.

(b) **Common and Preferred.** The balance of vacant seats remaining on the Board of Directors after the votes of the Series A Preferred described in Section 1(a) above shall be filled by the vote of the Common Stock and Preferred Stock voting together and not as separate classes as provided by the Bylaws of the Company. Provided, however, that any such vote shall be expressly subject to prior Company agreements allocating seats on the Company's Board of Directors.

VI

1. Subsequent Offerings.

Each stockholder who holds at least Nine Hundred (900) shares of Common Stock or Nine Hundred (900) shares of Preferred Stock, (a "Major Investor") shall have a right of first refusal to purchase its pro rata share of all Equity Securities, as defined below, that the Company may, from time to time, propose to sell and issue after the date of these Amended and Restated Articles of Incorporation, other than the Equity Securities excluded by Section 6 below. Each Major Investor's pro rata share is equal to the ratio of (a) the number of shares of the Company's Common Stock (including all shares of Common Stock issued or issuable upon conversion of Series A Preferred) which such Major Investor is deemed to be a holder immediately prior to the issuance of such Equity Securities to (b) the total number of shares of the Company's outstanding Common Stock (including all shares of Common Stock issued or issuable upon conversion of the outstanding Preferred Stock or upon the exercise of any outstanding warrants or options) immediately prior to the issuance of the Equity Securities. The term "Equity

Securities" shall mean (i) any Common Stock, Preferred Stock or other security of the Company, (ii) any security convertible, with or without consideration, into any Common Stock, Preferred Stock or other security (including any option to purchase such a convertible security), (iii) any security carrying any warrant or right to subscribe to or purchase any Common Stock, Preferred Stock or other security or (iv) any such warrant or right.

2. Exercise of Rights.

If the Company proposes to issue any Equity Securities, it shall give each Major Investor written notice of its intention, describing the Equity Securities, the price and the terms and conditions upon which the Company proposes to issue the same. Each Major Investor shall have fifteen (15) days from the giving of such notice to agree to purchase its pro rata share of the Equity Securities for the price and upon the terms and conditions specified in the notice by giving written notice to the Company and stating therein the quantity of Equity Securities to be purchased. Notwithstanding the foregoing, the Company shall not be required to offer or sell such Equity Securities to any Major Investor who would cause the Company to be in violation of applicable federal securities laws by virtue of such offer or sale.

3. Issuance of Equity Securities to Other Persons.

If not all of the Major Investors elect to purchase their pro rata share of the Equity Securities, then the Company shall promptly notify in writing the Major Investors who do so elect and shall offer such Major Investors the right to acquire such unsubscribed shares. The Major Investors shall have five (5) days after receipt of such notice to notify the Company of its election to purchase all or a portion thereof of the unsubscribed shares. If the Major Investors fail to exercise in full the rights of first refusal, the Company shall have ninety (90) days thereafter to sell the Equity Securities in respect of which the Major Investor's rights were not exercised, at a price and upon general terms and conditions materially no more favorable to the purchasers thereof than specified in the Company's notice to the Major Investors pursuant to Section 2 above. If the Company has not sold such Equity Securities within ninety (90) days of the notice provided pursuant to Section 2, the Company shall not thereafter issue or sell any Equity Securities, without first offering such securities to the Major Investors in the manner provided above.

4. Termination and Waiver of Rights of First Refusal.

The rights of first refusal established by this Article VI shall not apply to, and shall terminate upon the earlier of (i) effective date of the registration statement pertaining to the Company's Threshold Public Offering or (ii) a change in control as described in Article IV(D)(2)(c) of these Amended and Restated Articles of Incorporation. The rights of first refusal established by this Article VI may be amended, or any provision waived with the written consent of Major Investors holding a majority of the Common Stock and Series A Preferred held by all Major Investors, or as permitted by Section 6 below.

5. Transfer of Rights of First Refusal.

The rights of first refusal of each Major Investor under this Article VI may be transferred to the same parties, subject to the same restrictions as any transfer of registration rights pursuant to agreements between the Company and its shareholders in existence on the date of these Amended and Restated Articles of Incorporation.

6. Excluded Securities.

The rights of first refusal established by this Article VI shall have no application to any of the following Equity Securities:

(a) shares of Common Stock (and/or options, warrants or other Common Stock purchase rights issued pursuant to such options, warrants or other rights) issued or to be issued to employees, officers or directors of, or consultants or advisors to the Company or any subsidiary, pursuant to stock purchase or stock option plans or other arrangements that are approved by a majority of the members of the Board of Directors;

(b) stock issued pursuant to any rights or agreements outstanding as of the date of these Amended and Restated Articles of Incorporation, options and warrants outstanding as of the date of these Amended and Restated Articles of Incorporation, and stock issued pursuant to any such rights or agreements granted after the Series A Preferred Original Issue Date, provided that the rights of first refusal established by this Article VI applied with respect to the initial sale or grant by the Company of such rights or agreements;

(c) any Equity Securities issued for consideration other than cash pursuant to a merger, consolidation, acquisition or similar business combination;

(d) shares of Common Stock issued in connection with any stock split, stock dividend or recapitalization by the Company;

(e) shares of Common Stock issued upon conversion of the Series A Preferred;

(f) any Equity Securities issued pursuant to any equipment leasing arrangement, or debt financing from a bank or similar financial institution; and

(g) any Equity Securities that are issued by the Company pursuant to a registration statement filed under the Securities Act of 1933, as amended.

VII

A. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, or (iii) for any transaction from which the director derived an improper personal benefit. If the Florida Business Corporation Act is amended after approval by the stockholders of this Article VII to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director shall be eliminated or limited to the fullest extent permitted by the Florida Business Corporation Act, as so amended.

B. Any repeal or modification of this Article VII shall only be prospective and shall not affect the rights under this Article VII in effect at the time of the alleged occurrence of any action or omission to an act giving rise to liability.

VIII

For the management of the business and for the conduct of the affairs of the Corporation, and in further definition, limitation and regulation of the powers of the Corporation, of its directors and of its stockholders or any class thereof, as the case may be, it is further provided that:

A. The management of the business and the conduct of the affairs of the Corporation shall be vested in its Board of Directors. The number of directors which shall constitute the whole Board of Directors shall be fixed by the Board of Directors in the manner provided in the Bylaws.

B. The Board of Directors may from time to time make, amend, supplement or repeal the Bylaws; provided, however, that the stockholders may change or repeal any Bylaw adopted by the Board of Directors by the affirmative vote of the holders of a majority of the voting power of all of the then outstanding shares of the capital stock of the Corporation; and, provided further, that no amendment or supplement to the Bylaws adopted by the Board of Directors shall vary or conflict with any amendment or supplement thus adopted by the stockholders.

C. The directors of the Corporation need not be elected by written ballot unless the Bylaws so provide.

IX
