To Whom This May Concern,

With regards to the business, Professional Communications, Inc. (document number P17000020495), there has been a forgery and a fraudulent document submitted to you.

The forged document requested the removal of Richard DiDonato from the business and then to add Nicholas Gomez in his place. I Nicholas Gomez, did not sign the document, nor allow any permissions that would allow to remove Richard DiDonato or to place myself on this business replacing him.

The fraudulent document was to dissolve the business while I was (fraudulently) left listed as the last owner of the business, and only person with authority to dissolve the business. I also did not sign this document, nor allow any permissions that would allow this to happen.

I am requesting that Richard DiDonato be placed back on this business, and myself removed. Then if Richard DiDonato would like to be removed he can do so without a forged document. I did not request to be listed on this business, nor do I wish to be listed as the last person on Richard DiDonatos business before it was closed.

Nicholas Gomez
