Statement of Facts

On January 11th, 2021, I received an email alert from sunbiz.org that changes had been submitted to my Corporation. Soon after I received a phone call from my bank officer at Chase alerting me that an individual by the name of Lenerd Anderson was attempting to open a new bank account under my Corporation.

I confirmed to the bank official that this individual has committed fraud and am informing the Department of State as well.

Please upload this letter to keep in my Corporation's documents as record of the committed fraud.

Corporation information has been corrected and updated according.
