ARTICLE III BENEFIT STATEMENT AND BUSINESS PURPOSE

The corporation elects to be a benefit corporation in accordance with s. 607.603, F.S.

The purpose for which the corporation is organized is to create a general public benefit and:

A Universal Design Project, Inc., is a social development corporation established for the general business purposes of creating social events, opportunities and built environments centered around active living, promoting the use of universal design and benefiting the broadest population of users.

The general and/or specific public benefit(s) to be created by the corporation (in addition to its general purpose) is/are as follows (optional):

A Universal Design Project, Inc., is established for the general public benefit of promoting inclusion and diversity through the principles and practice of universal design in an effort to build a culture of health, wellness and social participation. Our goal is effecting a positive national pattern of growth and development through social opportunities and built environments that allow people interaction and independence through active living. All business activity conducted under corporation will strive to make it easier for people to lead happier and more productive lives by minimizing time spent navigating invisible and physical barriers to participate in activities of life. Cumulative goal of creating more socially balanced, livable and sustainable communities in an effort to reduce healthcare spending, transportation costs and increase surplus funds for individuals, governments and the nation in general.
