Statement of Fact

I, Tina Ann Dominguez, wish to make a statement of fact regarding business document P17000071336, ONIT Enterprises Marketing, INC. I was the original incorporator of the business on August 24, 2017. In that original document, I was listed as the Vice-President of the business and the President was listed as Faustino Dominguez. Throughout the company's existence, I have been responsible for completing the annual documentation.

On October 31, 2018, Faustino Dominguez filed documentation to remove my name from the company, acting against the Florida Business Corporations Acts 607.0808, 607.0809, and 607.08101, along with FS 817.155, filing false documentation with the state. Faustino Dominguez used this false documentation to remove my name from the business account at Chase Bank and inserted Ysabella Dominguez onto the company board.

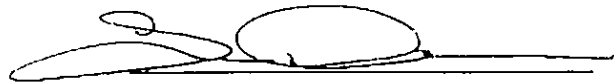

In June 2019, I filed Articles of Amendments to Articles of Incorporation of ~~ONIT Enterprises Marketing, INC.~~ 4 INC., which included address changes, change of the registered agent, removal of Ysabella Dominguez from the company board, adding my name as Vice President, changes in shareholdings for the company (Tina Ann Dominguez owning 50% and Faustino Dominguez owning 50%). These changes were agreed upon by Vice President, Tina Ann Dominguez and President, Faustino Dominguez.

In July 2019, Faustino Dominguez filed false documentation removing my name from the board of the company, along with filing a letter alleging fraud on my part. That same month, I received a notice from Anthony Cruz, Jr. Esq, stating he was retained as counsel for the business and that I was terminated from my position within the company.

Attached is a text message from Faustino Dominguez stating agreement with all actions taken on my behalf regarding the document filings in June 2019.

I hold that all actions taken on my part were lawful and in accordance with Florida Statutes and the Florida Business Corporations Act. I also hold that actions and filings done by Faustino Dominguez are in violation of Florida Statute 817.155, and Florida Business Corporations Acts 607.0808, 607.0809, and 607.08101.
