Dear Mr. O'Keeffe:

I am writing this letter to you to inform you that we had not used and will not be using the document # **P15000087387** assigned in the year 2015 to Casttor Investments Corporation Inc..

However, we submitted last week 08/25/2017 another request of articles of incorporation for CASTTOR INVESTMENTS CORP. INC. We are waiting for the Florida Department of State, division of corporations to give us the ok to move ahead with this new corporation and a new document number to be applied to. Also; to request the FEI to have the entire process ready to be able to open the bank accounts to start doing business as soon as possible.

Today, I spoke to a very nice and kind lady in your department and she mentioned that an email was sent to me to the email address on file; but apparently, I wrote a wrong email address in my filing from last week, because I haven't received anything (letter in response) related to this last filing from last week. She explained to me that we will need this letter to be sent to you by FAX. I will greatly appreciate, if you can process the new "document number" as soon as possible. My other email address are:

info@casttorinvestmentscorporation.com or sercastone@hotmail.com or
