On April 30, 2023, I, **Pedro Ramirez**, was added to 24/7 auto solution document number P17000084405. The owner added me during the annual report, where they are given the option of adding anyone to their company without having the actual person sign off on it.

There was never a given moment where I'd decided to join parts of this company, nor did I give my authorization to do so. I am not involved in or have any part in that company.
