DEPT. OF STATE
CORPORATIONS

shall be no cumulative voting. The number of authorized shares of Common Stock may be increased or decreased by (in addition to any vote of the holders of one or more series of Preferred Stock that may be required by the terms of the Articles of Incorporation) the affirmative vote of the holders of shares of capital stock of the Corporation representing a majority of the votes represented by all outstanding shares of capital stock of the Corporation entitled to vote, irrespective of any contrary provisions of the Florida Corporate Statutes. Unregistered or non-exempt Common Stock shall not be transferrable, except to a party who is a family member of the holder of such Common Stock, or who, directly or indirectly, controls, is controlled by, or is under common control with the holder of such Common Stock, including without limitation any general partner, managing member, officer or director of the holder of such Common Stock or any capital fund, trust, partnership or corporation now or hereafter existing that is controlled by one or more general partners or managing members or control shareholders of, or shares the same management company with, the holder of such Common Stock, an "Affiliate".

The voting Common Shares authorized hereby are Original Shares, Class A Shares, Class A+ Shares, Class CF, Class REG A Shares, and Shares of no class. Other Classes may be added by a majority vote of the Board. All voting shares shall maintain Super-voting rights, conversion rights, and preemptive rights through the date of registration and listing of the Shares, or shares into which such shares were convertible, on a National Stock Exchange, recognized by the Securities and Exchange Commission of the United States, "SEC", such as the NYSE or NASDAQ or CHX (excludes foreign and OTC Markets), at which time the Super-voting and preemptive rights shall terminate, and the conversion rights would have been exercised. The terms and conditions of the Super-voting, conversion and preemptive rights are specific to each Class or no class designation, and are set by the Board relative to each Class, and further described in each SPA of each Shareholder.

Preferred Stock

Each Series 1 Preferred Stock shall be authorized and described by separate terms and conditions as issued by the Board. All Series of Preferred Stock are non-voting, except for Series, which may designate a Director, or for reasons pursuant to Florida Statute. No Series of Preferred Stock shall be transferrable unless registered under state or federal law, except to an Affiliate of the holder of the Preferred Stock, or by the exercise of exemptions available in the State of Florida, as prescribed by federal law, or by another state's exemption for shares authorized to be held in such state, unless such transfer is approved by the Board of Directors of the Corporation. Each Preferred Share of any Series shall have a par value equal to \$0.0001, and a Stated Value per share as determined by the Board at issuance and as further described in each shareholder's SPA. At the sole discretion of the Board of Directors, the Corporation may, upon notice to the holders of any Series of Preferred Stockholders, redeem that Series of Preferred Shares, at the Stated Value plus all accrued but unpaid dividends; except, the Board may include terms for automatic redemption of any Series pursuant to an exempt or registered offering of the Corporation. In the event of: (a) any sale of all of the capital stock of the Corporation; (b) any sale of all or substantially all of the assets of the Corporation; (c) any merger or consolidation involving the Corporation, which thereafter results in the outstanding capital stock of the Corporation comprising less than a majority of the voting power of the merged or consolidated entity; or (d) any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of shares of any Series Preferred Stock then outstanding shall be entitled to be paid out of the assets of the Corporation available for distribution to Stockholders, before any payment shall be made to holders of Common Stock, an amount per share equal to the Series Stated Value plus any dividends accrued but unpaid thereon, the "Series Preferred Liquidation Preference". After full satisfaction of the Series

Preferred Liquidation Preference, all shares of Preferred Stock shall be terminated automatically, and remaining assets or proceeds shall be divided amongst all Common Classes of Stockholders pursuant to their Class entitlements, or *pro rata*, as applicable.
