## STATEMENT OF FACT

I, Luz Danelli Pedroza Duque, Venezuelan identified with FDL P362-524-80-524-0 am making this statement of fact to request that my corporation named **Danell Brows Corp** under document number P18000019682 is returned to me since my Corporation was amended by the Law firm that represents my ex-boyfriend Nelson Gonzalez identified with FDL G524-620-71-175-0 in all personal and business matters without my permission.

The changes to my corporation were made in the following order:

On 6/25/2018 an amendment was presented without my authorization where I was made president and where I allegedly authorize the lawyer Andrew Atkins Esq of the firm Shevlin & Atkins Attorneys at Law as my registered Agent. I was never notified nor did I receive any communication in regards to this amendment which I never authorized. My only communication with that firm was to request trademark registration of which I have proof. I am attaching proof.

On 04/09/2019 My ex-boyfriend Nelson Gonzalez filed an annual report placing himself as the president and myself as the VP and the law firm as the registered agent. At this time, I was still unaware of what was happening since I was going through medical issues, was under medical treatment and Nelson Gonzalez took advantage of that and since he had access to all my information went ahead and filed the annual report without my knowledge and consent. I am attaching the medical report.

On 11/29/2019 Nelson Gonzalez came to where my business **Danell Brows Corp** operated, with a lawyer Barry Shelvin and threw me out of my business with no court order with nothing to support his actions alleging he was the sole owner, even though all the business licenses, the lease, insurance was under my name only. I am attaching documentation to prove it. He threatened to sue me which he did on 01/06/2020 and by my lawyer's advice I didn't do anything about it until now when a judge determined there is no grounds for his sue.
