Subject: Filing of Articles of Amendment with the State of Florida

Dear Anissa,

I hope this message provides clarity regarding the Articles of Amendment being filed with the State of Florida. This amendment specifically modifies Article IV of our Articles of Incorporation, increasing the number of authorized shares of common stock from 100,000 to 10,000,000.

The amendment was originally signed and attested on July 2, 2018. However, due to an oversight, it was never officially filed with the State at that time. We were recently reminded of this by the Small Business Administration (SBA) after their review of our stock ledger and the Poprouser Articles of Incorporation, in which they noticed a mismatch. In light of their request and to ensure full compliance with the State, we are now submitting the Articles of Amendment as required.

We sincerely apologize for the delay and appreciate your understanding as we work to correct this oversight. You have already processed the fee, so now I am returning your letter without the second form, just the cover sheet and the amended article signed by both owners on July 2, 2018.

Thank you for your attention to this matter.

Sincerely,

Cody Allen Bess
