On July 24th 2018 I registered 2 companies through Sunbiz.org.

1. We Help America LLC. I received a positive response and have obtained the TAX ID with the IRS.

Note: This Company was created to be our Marketing Company

2. We Help America Inc. I received your email stating you couldn't approve the company because the same name already existed.

Note: This Company is being created to be an "S" Corporation as our Management Division.

I called and spoke with a representative who advised me to fax a letter to you stating my intention on creating both Companies with the same name for your approval.

Thank you,

Linda Crowder
