Good Morning Ms. Nadira,

N. SAMS

AUG 31 2018

Earlier this week we had submitted an application to register a corporation under the name of First Hand Agro Incorporated.

The next day we received a response from your office that it cannot be registered as we had registered a similar name corporation back in a July 2018 which was under the name of First Hand Argo Inc.

I called your offices and explained that the name is different Argo vs Agro and that we had made errors in name and Officers listing while registering First Hand Argo Inc. back in July. We intended to close it out and want the new name corporation to be registered under the name of First Hand Agro Incorporated.

I was advised to dissolve the corporation registered in July which we promptly did a couple of days back. And we are still awaiting the registration of the new corporation under the name of First Hand Agro Incorporated.

I called your offices again this morning and was advised to contact you. I will appreciate if you can please expedite the registration of our new corporation First Hand Agro Incorporated.

Note that we do not intend to use the name of First Hand Argo Inc which was dissolved two three days back and will appreciate if the new name of First Hand Agro Incorporated is allotted to us asap.

A couple officers are scheduled to travel overseas tomorrow and we intend to get this registration today, complete the EIN with IRS and open the bank account today, before the officers travel.

I appreciate your help and understanding and apologize for the inconvenience and rush.

I can be reached on 5618995325 if you wish to talk to me.

Thanks for all your help.

Regards,  
Rajat Verma.
