Thanks Matthew!

I, Yaacov Sakowitz am the owner of the business Stripe it, inc which I have no intentions of reinstating. I would like to release the name for my newly filed business entity Stripe it, inc / 500326469325 to myself.

There was fraud on my chase business account. I lost my business as well as everything so business closed down. since there was fraud on the account Chase bank closed my business account and then issued check refund with business name.

Problem is I cant deposit check into closed bank account and since check is made out to business I cant deposit into personal and they would not reissue check to my name

They said I need to create company with same name in order to deposit check and then once check clears just close chase account.

Thanks Matthew,
