I am filing for a new corporation under the name R&D Transportation Services Inc however we got an email back saying that there was a conflict with document L17000174267. That document L17000174267 is our LLC with the same name of R&D Transportation Services and I am the owner of that as well. I am wanting to have the name R&D Transportation Services registered as a LLC and registered as a INC.
