This was forwarded from the civil project in Fort Lauderdale. It appears the reviewer is wanting a different model number pump. A model that is classified as "Outdoor Use".

No rush but if you could take a look.

Thank you,

Subject: the new request from the city

Hi

Attached please find the info I could gather for the new revision as per city plumbing reviewer request

Please note that this reviewer will be temporarily plumbing chief inspector until February replacing the real plumbing chief (he has had a surgery procedure)

1. I attached all the pictures with the job so you can visualize what has been done and how.
2. He wants to use an outdoor version of the system. Instead of pit+junior he requested the outdoor WCR SERIES WATER COLLECTION & REMOVAL SYSTEMS also by the Little Giant. See attached pdf
3. He also requested a cross section of the installation. I tried to draw something by hand.
4. Please mention as well that the electrical for the pump will be connected to circuit #6 in the pool panel and that it is a GFI protected (already existing and done by others)

For any additional information or questions, please feel free to call me
786-416-3992, Lorenzo
Thank you
