To Whom It May Concern:

RT Consulting & Engineering, Inc. is currently a licensed Foreign Entity (F15000003048) in the State of Florida, wholly owned Robert M. Toedter, PE, providing engineering and consulting services. Robert M. Toedter, PE, President and Owner of all shares, is moving to Palm Coast, FL (43 Captains Walk, Unit #43, Palm Coast, FL, 32137), and desires to continue providing engineering and consulting services under the same corporation name, originally incorporated in the Commonwealth of Pennsylvania.

An application (Receipt No. 3762359663; Tracking No. 600332290266) for a Florida Corporation under that name was made, but on July 22, 2019 an e-mail was sent to us from your department denying the application because there was already a corporation on file under that name (**our** corporation). After consulting with your department, we were instructed to complete a Certificate of Domestication (attached).

It is our intention to close the Pennsylvania Corporation once the Florida Corporation is approved, but continuity of corporate operations is needed, which I believe necessitates the attached application.

It is our hope that we have now followed the required protocols, but should your department have any questions or other directives, please contact me directly by e-mail (bobt@rtconsultingengineering.com) or by phone (610-390-9604).

Respectfully Submitted,

Robert M. Toedter, PE, Pres.
