Hello Diane or to whom it may concern,

My name is Miguel A. Alvarez, owner and president of MONSTER EXTERIORS, INC.

Document Number P20000003598. My company was once again dissolved by an unauthorized, previous employee on 4/29/2021. This dissolution was not authorized by myself, Miguel A.

Alvarez nor did I have any knowledge of this dissolution. It is evident that this is continuously being done as an act of hatred and as a concerned business owner I would appreciate any guidance as to how we can stop this from continuing to happen in the future. Is it possible to flag Fermin Bergouignan from making any further changes to my corporation as he is not authorized by any means to make any changes nor decisions on behalf of myself nor my company? I have previously filed a police report and will take the initiative of filing a restraining order as well but in a meantime, I would appreciate your help in having my corporation reinstated as we have numerous commercial and residential projects open which require proof and verification of an active corporation and liability insurance. I would appreciate your help and attention regarding this matter. If you have any questions or concerns, please feel free to contact me at any time.

Thank you in advance.

*I have personally know him*

Sincerely,

  
Miguel A. Alvarez
