Florida Department of State, Division of Corporations
New Corporation Tracking Number:200339406342 per eMail below.

Kyle,

Per our conversation, In 2012, I registered a new corporation named TRAJECTORY, INC (FL State Document number: P12000040823), with the state of Florida. In 2019 I closed down the company and did not renew registration in 2019, in addition I closed the company bank account May 2019. Further, I have no intention of reopening the company that was formed in 2012.

Recently I was contacted by a new client from a reference requesting my services to start immediately. I accepted the contract and started the project, which I required certain funds in advance to build my team. I went to my bank to open a new account for TRAJECTORY, INC; as we discussed, I needed to have a registered corporation with SUNBIZ, but it has been less than a year, and Florida did not open the new company with the same name. Therefore to open up a bank account I am opening a new corporation with the same name TRAJECTORY, INC, which includes the same board members.

Given your direction, refer to the New Corporation Tracking Number:200339406342. I am requesting the Florida Department of State to release the current filing request in the name of TRAJECTORY, INC. Again, ***I have no intention to reopen the previous company*** that was formed and filed with the State of Florida in 2012.

I am receiving money in the name of TRAJECTORY, INC but cannot open up a bank account to deposit the funds and pay my team and other operating expenses. Please make this a priority and respond with the registration details for the new TRAJECTORY, INC and details to satisfy the bank.

Kyle, thank you for your time and effort in handling the activation of this account.

Regards,

Donald R. Isham, CEO
