Kyle! You've made my day. Thank you very much.

I give you permission to use the same entity name but under a different business type as I am the owner of Aviation Taxology LLC and I'd like to keep that entity active.

By the way, your phone system up there doesn't work!

Hi Sue,

My name is Kyle Brumbley with the Florida department of State. In order for you to use the same corporate name but under a different entity type I would just need to respond back saying that you are the owner of the LLC that is registered and that you give permission to use that same name but to be filed as a corporation. Then I can get the new Corp filed and email you the correspondence.
