E. Amending or adding additional Articles, enter change(s) here:
(Attach additional sheets, if necessary). (Be specific)

F. If an amendment provides for an exchange, reclassification, or cancellation of issued shares, provisions for implementation the amendment if not contained in the amendment itself:
(If not applicable, indicate N/A)

1. The first step in the process of identifying a problem is to define the problem clearly. This involves identifying the symptoms of the problem and determining the scope of the problem. Once the problem has been defined, the next step is to identify the causes of the problem. This involves identifying the factors that are contributing to the problem and determining the underlying causes of the problem. Once the causes of the problem have been identified, the next step is to develop a plan to address the problem. This involves identifying the actions that need to be taken to address the problem and determining the resources that will be needed to implement the plan. Once a plan has been developed, the next step is to implement the plan. This involves taking the actions that have been identified in the plan and monitoring the progress of the plan. Finally, the last step in the process is to evaluate the results of the plan. This involves determining whether the plan has been successful in addressing the problem and identifying any lessons learned from the process.

The date of each amendment(s) adoption: 02/25/2021, if other than the date this document was signed.

Effective date if applicable: 02/25/2021
(no more than 90 days after amendment file date)

Note: If the date inserted in this block does not meet the applicable statutory filing requirements, this date will not be listed as the document's effective date on the Department of State's records.
