

To whom it may concern

My name is Larry Humphrey, during the 2018, 2019 fiscal years I found out my personal information was compromised by the Experian credit leak. I was not getting important emails during this time frame and did not receive the reminders from your office. I cannot afford the \$900 fee to reinstate my business. I was informed by your office that I could request to start a new business with the same name and number by submitting and letter explaining the issue. Enclosed is a money order for the required \$70 fee.

Sincerely

Larry Humphrey
