Scanlon Family Practice and Wound Care, P.A., is solely owned and operated by Julie Scanlon Family Nurse Practitioner at 6339 Jarvis Road, Sarasota FL 34241 and this business was created on 8/17/2020. Another person has tampered with my Sunbiz account on 5/1/2023 and placed their address on my business and this was my now former employer Reskin Medical also known as Honestar Wound Care PLLC., and there mailing address is 14502 North Dale Mabry BLVD Suite 200 Tampa FL 33618 and their corporate Headquarters for their Mailing address is PO Box Lehi UT, 84043 and I know this as I flew up there for my orientation on October 17, 2022 and stayed in a Hilton hotel where I attended orientation. I have also filed a police report of identity theft against them for filing a false report of address and corporate filing on my already closed practice that has been effective 11/1/2022 as I have not seen any patient's or billed for any patient's using Medicare or my practices' name. Honestar has used my practice to bill illegally in the State of Florida using Scanlon Family Practice and Wound Care, P.A., without my consent as I am the authorizing owner and operator and did not give them any written legal consent or any verbal consent to do so. I am writing today to have my address changed to the 6339 Jarvis Road address and to notify me from this day forward via phone call at 941-993-4406 to confirm any and all changes that anyone attempts to make on this practice from this day forward as I own rights to this practice and there has been fraudulent IRS activity, Medicare fraud that has occurred towards myself and my business and I am a victim of Identity theft. I have also removed the Kings Highway address as a physical location. Please only list the Jarvis on the now dissolved practice.

Thank you for your attention to this matter.
