Dear Entrepreneur of Arsenio Body Shop, Corp.,

A **corporation** is a legal entity, created by statute with all the rights, privileges and responsibilities of a natural person; possessing the attributes of limited liability, centralized management, continuity of life and transferability of interest.

Any entity that transacts business in Florida as a corporation is required by Florida Statutes to file documents of incorporation or authorization with the Division and pay the filing fee.

Each year after the initial filing, all corporations must file a Uniform Business Report and pay the filing fee between January 1 and May 1. Failure to file a Uniform Business Report will result in administrative dissolution of the corporation and loss of authorization to transact business as a corporation in Florida.

Supplies such as minute books, stationery, stock certificates and corporate seals are available through our office. There are no laws requiring corporations to obtain any of these. Some financial institutions and title companies require a corporate seal on documents signed by a corporation and are within their rights to do so.

Two of the most popular types of corporations are the traditional C Corporation and the more restrictive Sub Chapter S corporation. With a C corporation, the corporation rather than individuals pays taxes and assumes liabilities. Florida has a 5.5% corporate tax.

An Sub Chapter S corporation, on the other hand, allows up to 100 shareholders to share income and expenses and to report them on their individual income tax returns.

It is a good idea to check with our offices before deciding on a particular legal structure. There are no "one size fits all" rules to follow in making the choice. Our offices will look at your own financial and business circumstances when helping you decide on the right choice.

Included in our corporate filing is **form SS-4** which we have filed with the Internal Revenue Service and we have received your corporate Federal Employer Identification Number (EIN).

The city clerk or county tax collector should have information on occupational licenses. Fees vary by type of business and location. Many municipalities now make the forms available online.

How to maintain your company active with the Florida Division of Corporation:

What is an annual report? The annual report is not a financial statement. The report is used to update or confirm the Florida Department of State, Division of Corporations' records. The data displayed on the entity's online annual report form is the most current data on file with the Division of Corporations. An annual report must be filed each year for your business entity to maintain an "active status" with the Department of State. The annual report is required whether you need to make changes or not.

When is the annual report due? The report is due by May 1st of each year. A \$400 late fee will be imposed on all profit corporations, limited liability companies, limited partnerships, and limited liability limited partnerships which fail to file their annual reports on or before May 1st. Not for profit corporations are not subject to the \$400 late fee. If paying by check or money order, the payment voucher and check or money order must be postmarked and mailed on or before May 1st.

How much does it cost to file an annual report? If the report is filed by May 1st, the annual report filing fee is as follows: \$150 for a profit corporation; \$61.25 for a not for profit corporation; \$138.75 for a limited liability company; and \$500 for a limited partnership or limited liability limited partnership. A \$400 late fee will apply to profit corporation, limited liability company, limited partnership and limited liability limited partnership annual reports filed after May 1st. Not for profit corporations are not subject to the \$400 late fee.

Can the \$400 late fee be waived or abated? There is no provision to abate or waive the \$400 late fee. Section 607.193(2)(b), F.S., was repealed during the 2010 Legislative Session. All business entities, except non-profit corporations, must pay the \$400 late fee if their annual report is filed after May 1st, even if the business entity did not receive its annual report filing notices.

What happens if I don't file the annual report? Failure to file an annual report by the 3rd Friday of September will result in the administrative dissolution or revocation of the business entity on our records at the close of business on the 4th Friday of September. Administratively dissolved or revoked entities may be reinstated by submitting the appropriate reinstatement application and the appropriate fees due this office at the time the entity applies for reinstatement. Names of administratively dissolved or revoked business entities are made available to other parties after one calendar year.

Do I still need to file an annual report if the business entity has closed? Do not file the annual report unless you wish to keep the business entity active on our records.
