(Attach additional sheets, if necessary). (Be specific)

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

F. If an amendment provides for an exchange, reclassification, or cancellation of issued shares, provisions for implementing the amendment if not contained in the amendment itself:

(if not applicable, indicate N/A)

Requesting to amend the total shares issued for this application within the 90 day period to 10-million total shares with

the following stock class designations of 2.5-million class A founders shares with an additional 2 votes per share.

and 7.5-million class B shares with .50 votes per share. So, the founders 25% reserve from 10-million total shares

retains 50% of the relative total voting power. For example, all class A shares combined with enough class B shares may

easily retain 51% of the total voting power concerning members of the board past present and future.

At this time Heartstrum Entertainment CEO Matthew Alexander Stanley owns 100% of the total Class A & B shares.
