Hello,

My name is Gavin Johnson I am the founder of imubqtus corp. Imubqtus was administratively dissolved for failure to file its 2020 Annual Report. This happened due to an administrative issue of doing a company name change at the same time as the annual report. The mix up was compounded because of the COVID 19 shutdown. After speaking to representatives from the department of corporations, we were advised that a new entity could be opened, using the imubqtus corp company name. I ask that the imubqtus corp name associated with document # P19000064818 be released. We have reapplied for the imubqtus corp company name. The tracking number for the new filing is 700357424477.

I have also attached the email ,s for the new filing and the dissolution to provide more information

I can be contacted at gjohnson@imubqtus.com or 305.923.8698 for further information. Your assistance is greatly appreciated.

Best regards,

Gavin Johnson
President
imubqtUS Corp.
