

P21 000018149

To Whom it May Concern,

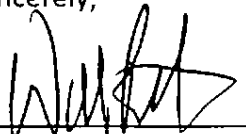

This is to inform you that I have dissolved the Florida Profit Corporation called: Belleair Carpenter Inc, the document number is: P21000018149.

This company was set up fraudulently under my name, William Peters, and my home address, without my knowledge or my approval. I have no idea who set up the company, or what they planned to do with it.

Upon realizing this, I filed a case with the Pinellas County Sheriff, case number: SO21-118165, I processed an online claim with the Federal Trade Commission, FTC Report number: 133834249, and I dissolved the company on sunbiz.org, tracking number: 000367529390, receipt number: 3807961969.

I confirm that this is true and accurate information, and that I had nothing to do with the formation of the company titled Belleair Carpenter Inc.

Sincerely,

William Peters
