B. Mechanics of Conversion.

1. In the event of an automatic conversion of Class B Common Stock into Class A Common Stock, on the date of such automatic conversion, such shares of Class B Common Stock shall be deemed to have been converted into shares of Class A Common Stock, which shall be deemed to be outstanding of record, and all rights with respect to the Class B Common Stock so converted, including the rights, if any, to receive notices and vote (other than as a holder of Class A Common Stock), will terminate, except only the rights of the holders thereof, upon surrender of their certificate or certificates therefor, to receive certificates for the number of shares of Class A Common Stock into which such shares of Class B Common Stock have been converted. If so required by the Corporation, certificates surrendered for conversion shall be endorsed or accompanied by written instrument or instruments of transfer, in form satisfactory to the Corporation, duly executed by the registered holder or by his, her or its attorney duly authorized in writing. As soon as practicable after the surrender of the certificate or certificates for Class B Common Stock, the Corporation shall cause to be issued and delivered to such holder, or on his, her or its written order, a certificate or certificates for the number of full shares of Class A Common Stock issuable on such conversion in accordance with the provisions hereof. All certificates evidencing shares of Class B Common Stock which are required to be surrendered for conversion in accordance with the provisions of this paragraph shall, be deemed to have been retired and cancelled and the shares of Class B Common Stock represented thereby converted into Class A Common Stock for all purposes, notwithstanding the failure of the holder or holders thereof to surrender such certificates on or prior to such date.

2. No fractional shares of Class A Common Stock shall be issued upon conversion of Class B Common Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then fair market value of a share of Class A Common Stock as determined by the Board of Directors. For such purpose, all shares of Class B Common Stock held by each holder of Class B Common Stock shall be aggregated, and any resulting fractional share of Class A Common Stock shall be paid in cash.

C. Reservation of Voting Common Stock Issuable Upon Conversion. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class A Common Stock solely for the purpose of effecting the conversion of the shares of Class B Common Stock such number of its shares of Class A Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Class B Common Stock; and if at any time the number of authorized but unissued shares of Class A Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of Class B Common Stock, the Corporation will take such corporate action as may, in the opinion of its counsel, be necessary to

increase its authorized but unissued shares of Class A Common Stock to such number of shares as shall be sufficient for such purpose.

3. Equal Status. Except as expressly provided in this Amended and Restated Articles of Incorporation, Class A Common Stock and the Class B Common Stock shall have the same rights and privileges and rank equally, share ratably and be identical in all respects as to all matters.

ARTICLE VI: Except to the extent that the Business Corporation Act of Florida prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty, no director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability. The Corporation shall indemnify to the fullest extent permitted by law any person made or threatened to be made a party to an action or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that he, his testator or intestate is or was a director or officer of the Corporation or any predecessor of the Corporation, or serves or served at any other enterprise as a director or officer at the request of the Corporation or any predecessor to the Corporation.

Neither any amendment nor repeal of this Article VI, nor the adoption of any provision of the Corporation's Amended and Restated Articles of Incorporation inconsistent with this Article VI, shall eliminate or reduce the effect of this Article VI in respect of any matter occurring, or any action or proceeding accruing or arising or that, but for this Article VI, would accrue or arise, prior to such amendment, repeal or adoption of an inconsistent provision.

ARTICLE VII: The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Amended and Restated Articles of Incorporation, in the manner now or hereafter prescribed by statute and this Amended and Restated Articles of Incorporation, and all rights conferred upon stockholders herein are granted subject to this reservation.
