Articles of Amendment

AMENDED CERTIFICATE OF DESIGNATION OF SERIES A PREFERRED STOCK PAR VALUE \$0.0001 PER SHARE OF OMNICROBE NATURAL SOLUTIONS, INC.

It is hereby certified that:

1. The name of the company is Omnicrobe Natural Solutions, Inc., a Florida Corporation (the "Company").

2. The Articles of Incorporation of the Company authorize the issuance of Two Hundred Million (200,000,000) Common Shares ("Common Stock") and Fifty Million (50,000,000) Class A Preferred Shares ("Preferred Stock"), par value \$0.0001 per share. The Articles of Incorporation and the Bylaws of the Company vest in the Board of Directors of the Company the authority to issue any or all of said shares in one (1) or more series and by resolution or resolutions to establish the designation and number and to fix the relative rights and preferences of each series to be issued.

3. Pursuant to their exercise of that authority, the Board of Directors of the Company has adopted the following resolution creating Series A Preferred Stock:

RESOLVED, that Twenty Million (20,000,000) of the Fifty Million (50,000,000) authorized shares of \$.0001 Par Value Class A Preferred Shares ("Preferred Stock") shall be designated \$0.0001 Par Value Series A Preferred Stock ("Series A Preferred Stock"), and shall possess the rights and preferences set forth below:

SECTION 1. DESIGNATION AND AMOUNT. The shares of such series shall have a par value of \$0.0001 per share and shall be designated as Series A of Class A Preferred Stock. The number of shares constituting the Series A of Class A Preferred Stock shall be Twenty Million (20,000,000). Notwithstanding this \$0.0001 actual par value per share, for the purpose of any Liquidating Distributions as further detailed in Section 4 below, the Series A Preferred Stock shall have a deemed par value (the "Deemed Par Value") of Twenty Five Cents (\$0.25) per share.

SECTION 2. RANK. Except for the voting rights specifically granted herein, the Series A Preferred Stock shall rank: (i) senior to all of the Company's no par common stock ("Common Stock"); (ii) senior to any class or series of capital stock of the Company hereafter created not specifically ranked by its terms senior to or on parity with any Series A Preferred Stock of whatever subdivision collectively, with the Common Stock and any Preferred Stock subsequently issued that may be ranked as a "Junior Security;" and (iii) on parity with any class or series of capital stock of the Company hereafter created specifically ranking by its terms on parity with the Series A Preferred Stock ("Parity Securities") in each case as to distributions of assets upon liquidation, dissolution or winding up of the Company, whether voluntary or involuntary (all such distributions being referred to collectively as "Distributions").

SECTION 3. DIVIDENDS. The \$0.0001 Par Value Series A Preferred Stock shall be paid a dividend (or other distributions, including stock distributions of any class, deemed dividends for purposes hereof) equivalent to the same number of shares of Common Stock. If a dividend is not declared and paid with respect to Common Shares, then no dividend will be owed. Notwithstanding the foregoing, the Directors

of the Company are authorized in their discretion to declare and pay dividends (or other distributions, including stock distributions of any class, deemed dividends for purposes hereof) solely with respect to Series A Preferred Stock. Any dividend will be announced by notice to all Preferred Shareholders not less than 10 business days before the Dividend Record Date. Unless a Preferred Shareholder has recorded a preference of electronic notice, then posting by standard US mail will fulfill this notice requirement.

SECTION 4. LIQUIDATION PREFERENCE.

(a) In the event of any liquidation, dissolution or winding up of the Company, either voluntary or involuntary, the Holders of shares of Series A Preferred Stock shall be entitled to receive, immediately after any distributions to Senior Securities required by the Company's Articles of Incorporation or any certificate of designation, and prior in preference to any distribution to Junior Securities but in parity with any distribution to Parity Securities, an amount per share equal to the sum of (i) the Deemed Par Value for each outstanding share of Series A Preferred Stock and (ii) an amount equal to the declared but unpaid dividends for the period that has passed since the Commencement Date to the date of the event of liquidation, dissolution or winding up of the Company. If upon the occurrence of such event, and after payment in full of the preferential amounts with respect to the Senior Securities, the assets and funds available to be distributed among the Holders of the Series A Preferred Stock and Parity Securities shall be insufficient to permit the payment to such Holders of the full preferential amounts due to the Holders of the Series A Preferred Stock and the Parity Securities, respectively, then the entire assets and funds of the Company legally available for distribution shall be distributed among the Holders of the Series A Preferred Stock and the Parity Securities, pro rata, based on the respective liquidation amounts to which each such series of stock is entitled by the Company's Articles of Incorporation and any certificate(s) of designation relating thereto.

(b) Preferred Shares share equally with Common Shares in the net assets of the corporation, after provision for a \$0.25 Stated Value Preferred Stock liquidation preference
